El. Br. (I). P. W. Deptt.

M/s. The Bhatkal El. Supply & Industries Ltd. have applied for the grant of an El. License to supply electrical energy to the town of Bhatkal. They have furnished the necy. particulars and have followed the necy. procedure, regarding advertisement etc.

2. The advertisement could not be published in the Govt. Gazette within the prescribed time limit of six weeks from the date of issue of the first publication as reqd. by sub-rule (4) of rule 15 of the I.E. Rules, 1937, as the newspaper in which the advertisement was published, successively, thrice, under sub-rule (3), is issued every 10th day and also due to the delay in sending the issues by the applicant. However this delay in itself does not preclude the grant of the license as per provisions of rule 15(4) mensioned above.

3. The drafts put up for appl. may issue.

El. Br. Is. P. W. D.

The Bhatkal El. Supply and Industries Ltd., Bhatkal (North Kanara), has applied (p. 3 of C.S) to Govt. for an electric license to supply energy in the municipal limits of Bhatkal Town and a portion of N.L.B. area, comprising part of village Purvacarga, including the P.W.D. Road along its side.

2. Nely. procedure under the rules has been followed. No objections have been recd. No other party has applied for this license. The (p 62 of C.S) El. Commr. and the (p 65 of C.S.) El. Engr. consider the financial and technical data, furnished by the applicants to be in order.

3. After consulting the Bhatkal Muny. and the Dist. Local Board, Kanara, the Commr., S.D., (p 61 of C.S.) suggests that the height of the trans. line, crossing the roads, where the "Raths" pass, should be at least 53 feet, as there is one "car Festival" held annually at Bhatkal and the height of the "Rath" drawn is reported to be 43 feet.

4. The El. Engr. may be requested to give his opinion with refee. to the Commrs. proposal

in the preceding para and also state whether he considers, the applicants are in a position to fulfil ~~these~~ the duties and obligations of a licensee, if it is decided to grant the req. license to them.

No. LRM.31/ 8120 of 1950.

Bombay, 20th September 1950.

Returned, with compliments.

2. The Chairman of the Board of Directors of the Bhatka Electric Supply & Industries, Ltd., called at my office on th 11th instant, with Shri L.G.Patharkar who is the consulting engineer of the Company. It is ascertained that the Company which is a Joint Stock Company, has been registered in 1948 and it has as its Board of Directors well-known merchants and landlords of good repute. The Company has already collected the share capital of about Rs.64,000/- and it seems to be in a position to raise the capital required for the entire scheme, as soon as the license is granted.

3. As regards the technical side, the Company has engage Shri L.G.Patharkar as its Consulting Engineer and since Shri Patharkar has considerable experience of carrying out electr power house schemes, the Company seems to be able to carry out its scheme under his guidance in an efficient manner.

4. With regard to the Commissioner's suggestion regard the height of overhead lines crossings the streets through which the "Raths" pass, it seems that the height of 58 feet as suggested by the Commissioner is rather excessive, as usually 30 feet height has been allowed in almost all the licenses so far granted. The Collector should, therefore, asked to reconsider the matter and ~~either~~ reduce the height to 30 feet, or consider, if possible, to reduce the height of the "Raths" passing through such streets.

El.Br.(2)

The Bhatkal Elec. Supply and Industries Ltd. (Bhatkal), North Kanara, has applied to Govt. for an elec. licence to supply energy in the municipal limits of Bhatkal Town and a portion of D.L.B. area comprising part of village Purwarg including the P.W.D. road along its side

2. The applicants have followed the necy. procedure under the Rules. No other party has applied for this licence No objections to the proposed grant of the licence to the above applicants have been received. The El. Engr. and the El. Commr. consider the financial and technical data, furnished by the Coy, to be in order. The El. Engr has recommended that the Coy. is in a position to raise the capital required for the entire scheme and is able to carry it out under the guidance of its consulting Engr.

3. The only point which has not yet been decided is the height of the transmission lines crossing the roads where the Rathas pass. The Commr. S.D. has recommended that the height should be 53 feet. This height is

is rather excessive as usually 30 feet height has been allowed in almost all the licenses granted so far. The Collector of Kanara has been requested to see if it can be possible to allow the usual height by reducing the heights of Raths or by changing the route of the Rath processions. The Collector's P. 79 has been addressed in this matter in Sept. last. His reply is awaited.

4. The above point is a minor one and it does not appear necessary to await this case till that point is decided. In view of the position stated in paras 1 and 2 above it is for orders whether an elec. license for the area details in para 1 above may be granted to the Bhatkal Elec. Supply and Industries Ltd. If so the El. Engr. may be requested to prepare the final draft of the license in the form in which it should be granted to the party.

29/12/50

License for the supply of electricity in the area specified may be granted to the Bhatkal Electric Supply & Industries Ltd.

~~MODEL FORM~~

THE Bhatkal ELECTRIC LICENCE, 19 51

LICENCE GRANTED BY THE GOVERNMENT OF BOMBAY FOR THE SUPPLY OF ENERGY UNDER THE INDIAN ELECTRICITY ACT, 1910

*Note.—Portion in bracket to be added where necessary.

License.—License is hereby granted to The Bhatkal Electric Supply & Industries Ltd.
(*carrying on business in partnership under the name and style of Messrs. a company registered under the Indian Companies Act) 56
and having ~~his~~ its / ~~their~~ registered office at Bhatkal
to supply energy in the area with the powers and upon the terms and conditions specified below :—

1. *Short Title.*—This license may be cited as "The Bhatkal Electric License 1951"

2. *Interpretation.*—In this license—

(1) "Act" shall mean the Indian Electricity Act, 1910

(2) "rules" shall mean the rules made under the Act

(3) "licensee" shall mean and include the said Bhatkal Electric Supply & Industries Ltd and ~~their~~ its permitted assigns ;

(4) "deposited map" shall mean the plan of the area of supply as hereinafter specified, which has been deposited with Government in pursuance of the rules, which plan is signed, for the purpose of identification, by the Secretary to the Government of Bombay in the Public Works Department and by the licensee ;

(5) "the commencement of this license" shall mean the date of the notification by the Government of Bombay in the *Bombay Government Gazette* by which this license is granted ;

(6) "Government" shall mean the ~~Provincial~~ State Government of Bombay ;

(7) words and expressions not defined in this license but defined in the Act or the rules shall have the meaning assigned to them in the Act or the rules as the case may be.

3. *Security.*—(1) The period within which the licensee shall show under sub-clause (*a*) of clause I of the Schedule to the Act that he is in a position fully and efficiently to discharge the duties and obligations imposed upon him by the license throughout the area of supply shall, unless otherwise ordered by Government under clause (*b*) of sub-section (*3*) of section 4 of the Act, be six months from the commencement of this license.

(2) Unless otherwise ordered by Government under clause (*b*) of sub-section (*3*) of section 4 of the Act, the sum which the licensee shall deposit or secure to the satisfaction of Government under sub-clause (*b*) of clause I of the Schedule to the Act, shall be rupees two thousand and the period within which such sum shall be so deposited or secured shall be thirty days from the commencement of this license.

4. *Area of Supply.*—The area within which the supply of energy is authorised by this license, hereinbefore and hereinafter referred to as "the area of supply"

shall be the whole of the area comprised within the Municipal District of / limits of the Village Panchayat of ——— which is shown by a * coloured line on the deposited map, and is bounded as follows :—

*Name of the colour to be specified.

North—By
East—By
West—By
South—By

5. *Area of Compulsory Supply.*—(1) The licensee shall, within a period of ~~eighteen months~~ two years from the commencement of this license, execute works to the satisfaction of Government for the purpose of a full and continuous supply of energy throughout the streets or parts of streets as are mentioned below and shown in red colour on the deposited map—

(1) P.W.D.Road (provincial) marked as ABOFC.
(2) Sultan and Alwa Streets marked as BNDE.
(3) Mahamadali Road and Nehru Road marked as DFG
(4) Jamiamohall and Khalipha Streets marked as DHJ
(5) Kaji Street marked as KLM
(6) Marikatta Road marked as NOP
(7) Mankuli Street marked as PQ

(2) In the case of any difference between the description of the streets mentioned in sub-clause (1) of this clause and that indicated on the deposited map, the latter shall prevail.

(3) The licensee shall commence to execute the works aforesaid within ~~six~~ nine months from the commencement of this license and shall complete the execution of the works aforesaid and shall commence the supply of energy within ~~eighteen months~~ two years therefrom.

(4) The licensee shall every three months submit reports to Government and also to the Electrical Engineer to Government specifying the progress made up to date from the commencement of the license in the execution of the works in the compulsory area.

6. *Revocation of License.*—If the licensee fails to comply with the provisions of sub-clause (1), (3) or (4) of clause 5, or, if in the opinion of Government, the progress made during any portion of the said period of eighteen months is unsatisfactory, the license shall be liable to be revoked, and the security furnished as per sub-clause (2) of clause 3 shall be forfeited.

7. *Purposes and Limitation of Supply.*—(1) Subject to the provisions of this license and the Act and the rules, the

4. AREA OF SUPPLY - The area within which the supply of energy authorised by this license, hereinbefore and hereinafter referred to as "the area of supply", shall be the whole of the area comprised within the Municipal limits of Bhatkal Town and a portion of the area of the District Local Board marked as RSPT and comprising a part of the village of Purwarga including the P.W.D. road along its side which are shown by yellow and red coloured lines respectively on the deposited map and are bounded as follows:-

(1) MUNICIPAL AREA -

North - by boundaries of Jali and Bilalkhand villages of Bhatkal Petha.

East - by nala known as Kattadhole and Mudbhatkal Hole

West - By boundaries of Jali village.

South - By Sankad Hole and Sarabi Hole; Mudalli and Belni villages and Purwarga and Chowthani villages.

(2) DISTRICT LOCAL BOARD AREA - Comprising a part of the Village Purwarga bounded as follows:-

North - by Sankad Hole

East - By part of Mudbhatkal Hole

West - By P.W.D.road from Bhatkal Town to Byndoor(incl'

South - By line marked 'TP'

licensee shall be entitled during the continuance of this license to supply energy within the area of supply for all purposes.

First and second provisos to clause (7).—Provided firstly, that nothing in this license shall be construed to prevent any railway or Government Authority from purchasing their power requirements from any other railway or Government Department for their own industrial, domestic or other uses.

Provided secondly, that nothing in this license shall be construed to prevent any person requiring 50 KW or more of electric power from purchasing his power requirements from any Government Department for his own industrial, domestic or other uses.

commenced to be given by the licensee to any owner or occupier of private premises unless and until the licensee has completed all the works relating to the license and such works have been inspected by the Electric Inspector, Bombay Province, and passed by him in writing, and until Government have approved—

(*a*) the form of requisition to be made by such owner or occupier for such supply of energy;

(*b*) the form of written contract or agreement with the licensee to take a supply of energy to be executed or entered into by such owner or occupier;

(*c*) the amounts of all miscellaneous charges which the licensee proposes to make against such owner or occupier as incidental to or in connection with such supply; and

(*d*) the conditions which the licensee proposes to make to regulate his relations with his consumers.

Provided fourthly, that where all the works have not been completed by the licensee, and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Electrical Engineer to Government, whose decision in the matter shall be final.

(2) Clauses V, VI, VII, IX, X and XI of the Schedule to the Act shall, wherever necessary, be read as expressly added to or varied to the extent set out in the proviso to sub-clause (1) of this clause.

(3) The licensee shall not supply energy to any premises unless the owner or occupier of such premises has satisfied the licensee that all work including repairs relating to electric wires, fittings and apparatus, on such premises, has been carried out by a licensed electrical contractor and under the supervision of a Competency Certificate holder under the rules or orders issued by Government in this behalf, or by such other person as may be authorised to carry out such works under rule 48 of the rules and clause VI of the Schedule to the Act shall be deemed to be modified accordingly.

8. *System of Supply.*—(1) The system of supply of energy which may be adopted for the purpose of this license shall be the Alternating Current, single or three phase, three or four wire, periodicity fifty cycles per second. The pressure of supply at the consumer's terminals shall be as under:—

(*a*) 230 volts between each phase and neutral for general purposes, viz. lights, fans, heaters, refrigerators, etc.;

(*b*) 400 volts between phases for motive power purposes and purposes other than those specified in (*a*) above; and

(*c*) any pressure up to 11000 volts for feeders and for supply to any large consumers for power purposes.

Provided always that no high tension mains shall be brought within or near the populated areas without the specific sanction of Government in each case.

(2) The feeders, distributing mains and service lines may be laid overhead or underground but wherever and whenever specifically required to do so in writing by Government, such feeders, distributing mains or service lines shall be laid underground :

Provided that—

(*a*) no work or works shall be commenced by the licensee unless and until the method of construction has been previously approved in writing by the Electrical Engineer to Government ;

(*b*) where overhead mains are used, they shall nowhere be at a height of less than thirty feet from the ground level of the streets at all crossings in all the routes where " raths " or " taboots " or other similar religious processions are likely to pass. In cases of dispute such routes and heights shall be determined by the District Magistrate ;

(*c*) in narrow lanes or streets the poles for overhead mains shall be placed on the extreme edge of the lane or street and a special construction to be approved by the Electrical Engineer to Government shall be adopted to keep the wires clear of every building ;

(*d*) no poles for overhead lines shall be erected in streets or thoroughfares which are less than ten feet in width for vehicular traffic ; and

(*e*) nothing in this license shall authorise the licensee to use overhead mains at a pressure higher than the medium pressure without the written sanction of Government in each case and subject to any conditions or limitations which Government may prescribe in that behalf.

(3) Due precautions shall be taken to avoid any possible interference with the adjacent telephone or telegraph circuits due to inductive effects. The electric wires shall be suitably transposed where necessary.

(4) For the purpose of rule 68 (2) of the rules, the maximum wind pressure shall be taken as 15 pounds per square foot.

9. *Generating, Receiving, Transforming and Distributing stations.*—(1) The Generating, Receiving, Transforming and Distributing Stations shall be within the area of supply.

(2) The licensee shall employ a resident Electrical Engineer in technical charge of the undertaking and the appointment of such an Engineer shall have the previous approval of the Electrical Engineer to Government, P. W. D., Bombay.

(3) The licensee shall maintain at all times a standby plant as well as spare parts for the machinery installed which, in the opinion of the Electrical Engineer to Government, may be considered necessary to ensure a regular, constant and sufficient supply of energy to consumers.

~~Clause 9~~(4).—The licensee shall keep and maintain at his generating station and/or sub-station, if so desired by the ~~Provincial~~ Government, a log book made up of daily log sheets in the form approved by the Electrical Engineer to Government. Such log book shall contain a correct record of all the interruptions in supply due to stoppage of generating set or sets and tripping out of feeders due to overload, short-circuits, etc., and the log book shall be produced at any time on request to the Electric Inspector or an officer appointed to assist the Electric Inspector under sub-rule (1) of rule 5 of the Indian Electricity Rules, 1937.

Clause (10)—Purchase of energy in Bulk.—(1) The licensee shall take from any ~~Provincial~~ State Government generating station such power as he required for distribution at any time after the Government is in a position to supply at a rate which, in the opinion of the Government, is not higher than the then prevailing cost to the licensee for generating his own electrical energy at the time of the offer.

(2) If power is taken under sub-clause (i) above, the licensee shall, if so required, sell to Government his station at its depreciated book value. If, however, Government does not wish to purchase the station, the licensee shall have full powers to dispose of it.

value. If however the Electricity Board or Government does not wish to purchase the generating plant the licensee shall have full powers to dispose of it.

11. *Rates—Limits of Prices to be Charged.*—The rates to be charged by the licensee for energy supplied by him shall not exceed the maxima set out below, or in the case of a method of charge approved by Government under clause (*c*) of sub-section (*3*) of section 23 of the Act such maxima as Government may fix on approving the method, namely :—

(A) Where energy is supplied by meter.

(1) For general supply purposes viz. :— twelve

(*a*) for lights and fans—A rate of annas ~~eight~~ per unit ; Vide GL.No.LBH-1051K, 17-1-52

(*b*) for heating, refrigerating and other domestic and general purposes—A rate of annas three per unit.

Minimum charge.—A minimum charge of Rs 3/- per month may be made in addition to meter hire whether energy to that extent has been consumed or not.

(2) For motive power purposes and purposes other than those mentioned in items 1 (*a*) and (*b*) above :—

A standing charge per month for service at the rate of Rs 3/- per B. H. P. of connected load for the supply of which licensee is required to make provision and in addition a charge for current determined by meter as follows :—

(*i*) for the first 25 units consumed per B. H. P. per month—A rate of annas three per unit ;

(*ii*) for all excess units over 25 consumed during the month—A rate of annas two per unit.

Note.—(*a*) The term "Unit" occurring in this sub-clause, shall mean the energy contained in a current of 1,000 amperes flowing under an electromotive force of one volt during one hour.

(*b*) The term "connected load" occurring in this sub-clause shall mean the total rated capacity of the motor or motors in B. H. P. connected to the installations.

(3) *Meter Rent.*—The rent to be charged for meters shall not exceed—

Annas twelve per month for a single phase A. C. Meter.

Annas Re 1/8 per month for a poly phase A. C. Meter.

(B) Where energy is not supplied by meter, a fixed rate of Rs 2/- per mensem shall be charged for a twenty watt light and Re 1/8 for every additional twenty watts or part thereof burning for not more than six hours per night.

(C) In the case of large consumers, contracts may be made for fixed periods at such rates not exceeding the rates specified in sub-clause (A) of this clause as may be agreed upon.

(D) Without prejudice to anything contained in the above sub-clauses, the licensee may at any time enter into a special contract with the Municipality of Bhatkal for the supply of energy to the said Municipality for public lighting upon such terms and conditions and at such rates not exceeding the maxima charges specified above, as may for the time being be mutually agreed upon.

12. *Unpaid Apprentices.*—The licensee shall, whenever so required by Government, employ as unpaid apprentices passed candidates from the Mechanical and Electrical Engineering Institutes in the ~~Province~~ State of Bombay for a period of one year's training in connection with the power station and distribution system :

To be deleted but the time of the Dist Local Board Kanara

To be deleted but the time of the Dist Local Board Kanara

Provided that the number of such candidates to be so employed at one time shall be limited to two.

13. *Nomination of a Director by Government.*—If the license is hereafter assigned to any limited company, Government shall have the right to nominate one Director on the Board of Directors of such Company, and the Director so nominated shall be entitled to such remuneration payable by the said Company as fixed in the Memorandum and Articles of Association of such Company in respect of other Directors. The Director so nominated by the Government shall not be required to hold any qualification shares nor shall he be liable to removal or retirement. The Government shall however have a right to remove the person so nominated and appoint another in his place. The Articles of Association of the Company shall make provisions on the lines of this clause.

14. *Agreement between the Licensee and the Managing Agents.*—The licensee shall not enter into an agreement with Managing Agents, if any, or make any modifications to such agreement already entered into, unless with the previous consent in writing of the Government. The Government shall also have the right to examine any agreement between the licensee and the Managing Agents, if any, and to require suitable modification therein as a condition precedent to Government granting any consent as required by section 9 (*2*) of the Act.

15. *Breaking up of Streets.*—The length of trenches to be opened on any street at any one time, and the period for which they may remain open, shall be determined from time to time by Government or the local authority by which such streets are repairable.

16. *Breaking up of Railways.*—In pursuance of the provisions of sub-section (*5*) of section 12 of the Act, the licensee is hereby specially authorised within the area of supply to break up the soil and pavement of the portions of the so far only as concerns, level-crossings and the portions of the said railway running along the highway. Any difference or dispute arising between the licensee and the said railway by reason of the exercise by the licensee of the powers conferred on him by this clause shall, subject to the provisions of sections 13 and 16, be determined by Government whose decision shall be final.

16. *Purchase of the Undertaking.*—(1) The option of purchase given by sub-section (*1*) of section 7 of the Act shall be exercisable first on the expiration of twenty-five years from the commencement of this license and thereafter on the expiration of every subsequent period of seven years therefrom. The percentage of the value of the lands, buildings, works, materials and plant of the licensee referred to in sub-section (*1*) of section 7 of the Act which shall be added to such value under the second proviso to that sub-section on account of compulsory purchase shall be ten per centum.

(2) In accordance with clause (*d*) (*ii*) of sub-section (*2*) of section 3 of the Act it is hereby declared that the generating station belonging to the licensee and used in connection with the undertaking or where energy is purchased from any other person or company, the receiving and distributing sub-stations used in connection with the undertaking, shall form part of the undertaking for the purpose of purchase under section 5 or section 7 of the Act.

17. *Assignment of the License.*—At any time after the commencement of this license the licensee may, with the previous consent in writing of Government, and subject to compliance with such conditions upon which such consent may be given, assign this license and transfer the whole of the undertaking in respect of which this license is granted

(including all lands, buildings, works, materials and plant of the licensee) to any individual or company formed or to be formed and registered in the ~~Province~~ State of Bombay in accordance with the law for the time being in force in ~~British~~ India, or, ~~in Great Britain under any enactment relating to companies for the time being in force there~~ and having authority to take over the license and the said undertaking as the case may be and to exercise the powers and perform the obligations given to or imposed upon the licensee under this license, the Act and the rules, and on such assignment and transfer, the rights, powers, authorities, obligations and liabilities of the licensee shall be exercisable by and shall attach to such individual or company formed or to be formed as aforesaid.

18. *Submission of Annual Accounts.*—The licensee shall submit to Government annually before the 1st October, the accounts of the undertaking made up to the 31st March of the same year in the forms set forth in Annexure V to the Indian Electricity Rules, 1937, together with a statement showing the technical and financial data in the form prescribed by Government.

~~Clause (19).~~—The license shall be subject to the provisions of the Electricity (Supply) Act, 1948, and any other Act of the ~~Central~~ Union or ~~Provincial~~ State Government that may be passed hereafter affecting the public electric supply undertakings.

Electrical Engineer to Government,
P. W. D., Bombay.

Below U.O.R. No.1006/48/305 dated the 10th January 1951, from Government in the Public Works Department, Bombay.

=====

No. LRM31/1416) of 1951.

Bombay,1. February '51.

21 FEB 19[illegible]

returned with compliments.

2. The draft licence in the form in which it may be granted together with the deposited map (5 copies) is enclosed.

3. The rates of supply etc. applied for by the Company appear to rather high and have been in some cases reduced as shown in the draft licence.

4. As regard the height of the overhead mains on routes through which the Rath procession passes, the height of poles will be decided in consultation with the District Magistrate and the licensee and if necessary, underground mains will be insisted for the routes in question.

5. The estimated cost of the scheme is stated to be Rs.205600 and the applicants may be asked to deposit with this office before the grant of the licence a sum of Rs.41000/- or such other amount as

may...

may be considered sufficient in the opinion of the undersigned.

From

The Chairman,
Bhatkal Electric Supply & Industries Ltd.,
Bhatkal. (North Kanara).

The Secretary to the Government of Bombay,
Public Works Department,
Bombay.

Sir,

I beg to submit on behalf of Messrs. Bhatkal Electric Supply & Industries Ltd., Bhatkal, the questionnaire duly filled in triplicate as required.

APPENDIX A.

(1) Name and brief description of the area proposed to be included in the license.	The whole of the Bhatkal Municipal Area and a portion marked RSTP under the jurisdiction of DLB and proposed to be included in the Municipal area.
(2) Situation - Name of Taluka and District.	Bhatkal Petha (District North Kanara).
(3) Population, dwelling houses, No. of shops and commercial establishments in the area specified against (1)	Population: 11,000 Dwelling houses: 1,905 No. of shops : 150 Commercial Establishments: 3 rice mills having a total H.P. of about 44 and one flour mill of 11 H.P.
4) Estimated classified number of consumers, K.W.demand; kwh sales and Revenues in the 5th year of operation in the form given below:	

Class of load	No. of consumers.	Maximum demand in K.W. Day	Maximum demand in K.W. Night	kwh sales in the year	Estimated revenue in the year. Rs
(1) Residential and commercial	about 400	2	50	48180	24624
(2) Small industries e.g.,flour,rice, oil mills,power looms etc.	3	30	Nil	43800	6843
3) Agricultural pumps	Nil	-	-	-	-
4) Street lights		-	4.8	8760	3600
5) Water Works	Nil			-	-

(continued - (2)

Category of load	No. of consumers.	Maximum demand in K.W. Day	Night	kwh sales in the year	Estimated revenue in the year Rs
			B/F	100740	35067
(6) Railway Stati-	Nil	-	-	-	-
(7) Miscellaneous	Nil	-		-	-
Sub Total					35067
Miscellaneous revenue including meter rent, temporary lighting etc.					3120
Grand Total				100740	38187

(5) Rates proposed to be charged for:-

(a) Light and fans .. Rs. 0 - 8 - 0 per unit

(b) Agricultural pumps if any would come Rs. 0- 3- 6 per unit

(c) Small power upto 15 H.P. Rs. 0 - 3 - 6 per unit

(d) Public street lights .. Rs 0 - 6 - 0 per unit

(6) Estimated Capital Expenditure within 1st five years of operation:

(a) Power station including land & building: about Rs 1,31,200

(b) Distribution system including service lines and meters. 58.000

(c) All other not included under (a) and (b) " Rs 16,400

(d) Total - Rs 2,05,600

Working expenses other than fuel (5th year) Rs 19,748

(8) Cost of fuel (5th year) .. Rs 11,440

(9) Total working expenses (5th year) ... Rs 31,188

10) Net revenues available for interest, depreciation, taxes and dividend (5th year) Rs 6,999

11) Number and sizes of generating units proposed to be installed. Two Diesel Generator sets, each of about 50 K.W.

12) System of supply proposed by the applicant. A.C. three phase four-wire 400/230 volts at the terminals at 50 c

2a) Map of the transmission & Distribution system enclosed h

3) Time required by the applicant to complete the necessary works and commence supply from the date of grant of license. As this p interior for trans due to long generating s about 18 mon monsoon is no work can

continued -

	during the monsoon period. It may, therefore, require about three years to complete the works and commence supply from the date of grant of license. However, every endeavour shall be made to complete same before the said period.
(14) Is the applicant prepared to accept a license for 25 years?	Yes
(15) How does the applicant propose to raise the necessary capital for the undertaking?	by Joint Stock Company
(16) What will be the applicant's interest and position in the undertaking?	Chairman of the Board of Directors of the Company.
(17) Does the applicant propose to personally handle technical matters pertaining to the undertaking? If so, state qualifications & previous experience.	No.
(18) Name, address, qualifications and previous experience of the person who has carried out preliminary investigations for the applicant.	Mr. L.G.Patharkar, Electrical and Mechanical Engineer. He has designed many town lighting electrification schemes; carried out himself erections of complete diesel engines; generators, A.C. low tension and high tension; D.C. two wire and three wire; their switch gear; erected overhead and underground mains; A.C. high tension sub-stations of several power houses. He is working in this line on responsible posts since last about 30 years. He has erected a 250 BHP Diesel A.C. plant in the Government power house at Hubli. At present he is working as Chief Engineer of power houses of Dharwar, Arrah in Bihar and Beawar in Rajputana.

To
The Secretary to Government,
Public Works Department,
B O M B A.Y.

Re: Bhatkal Electric Licence, 1949.

S i r,

We have floated a joint stock company for acquiring electric licence to supply electric energy to the Town of Bhatkal, and accordingly apply to you for the grant of "Bhatkal Electric Licence, 1949."

As required by the Rules we have submitted herewith the following papers for your kind perusal:

(1) Six copies in print of the draft licence

(2) Four copies of the Deposited Map completed in accordance with the instructions.

(3) A map of transmission & distribution system.

(4) Three copies of questionnaire filled in as per Appendix 'A' of the memo of instructions.

(5) A copy of the Memorandum & Articles of Association of the company

(6) A Treasury Receipt for the fee of Five Hundred Rupees paid into the Government Treasury.

(7) Agreement as required.

P.T.O.

(8) A copy of the resolution passed by the Municipality to the effect that the Municipality has no objection to the grant of Bhatkal Electric Licence to Messrs. Bhatkal Electric Supply & Industries Ltd., Bhatkal.

(9) A copy of the resolution passed by the District Local Board as stated in (8) above.

(10) A copy of the resolution passed by the Board of Directors of Bhatkal Electric Supply and Industries, Ltd., Bhatkal, authorising Hon'ble Mr. J.H. Shamsuddin, B.A., LL.B., M.L.A., to sign all documents and correspondence on behalf of the said company.

As required by Rules, we are publishing our draft licence in successive three issues of the news paper and copies of each of the three issues shall be forwarded to you as soon as they are published.

At first sight it would appear that the maxima rates given in the draft license are high but in view of the actual rates of so many other electric concerns which have been started much before the war with 1/3 the present cost and which have a standing of 15 years or more are charging actually -/8/- annas per unit for lights and fans(-/6/- annas plus 33/1/3% surcharge) and still they are not in a position to get reasonable return, our proposed maxima rates are not high when we have to spend three times more for machinery and all other material and have to incur comparatively much higher working cost.

Although we intend to charge actually -/9/- annas per unit for light and fans and -/3/6 for motive power it is better to have the higher maxima sanctioned to enable the Company to increase the rates reasonably upto this maxima if it would not be in a position to work the concern in profit. If there would not be any provisions for maxima rates from the beginning it would be most troublesome to get them revised at a later date as there would then be a great opposition for the same.

Bhatkal Electric Supply & Industries, Limited.

(Incorporated in British India. Liability of Members Limited.)

Registered Office: BHATKAL, N. Kanara.

Ref ..... Date 19-8-47

We would thus request you to consider the question of such newly started companies in the light of the above facts and sanction what is quite just and reasonable.

We hope that you would kindly expedite the things and see that the license is granted at an early date.

Yours faithfully,

J. H. Shamsuddin, B.A., LL.B., M.L.A.,
Chairman,
Board of Directors,
Bhatkal Electric Supply & Industries
Limited, Bhatkal.

● १ एप्रील १९५० ला मुंबई प्रांतांत संपूर्ण दारूबंदी होईल, त्यावेळीं पोर्तुगीज सरकारनेही हिंदी सरहद्दीजवळ एक दारूबंदी असलेला प्रवेश-पट्टा निर्माण करावा अशी मुंबई सरकारनें पोर्तुगालमधील हिंदी वकील श्री. पी. ए. मेनन यांच्या द्वारा पोर्तुगीज सरकारला विनंती केली आहे.

● प्रत्येक प्रांताला ज्या प्रकारचें कापड पाहिजे त्या प्रकारचें कापड-उत्पादन करून घेण्याला संधी मिळावी ह्मणुन कापड गिरण्यावरील सरकारी नियंत्रण प्रत्येक प्रांतिक सरकारकडे वाटून देण्यांत यावें अशी सूचना मुंबईचे पुरवठामंत्री श्री. दिनकरराव देसाई यांनीं केली आहे. सप्टेंबरच्या पहिल्या आठवड्यांत डॉ. शामाप्रसाद मुखर्जि येथें येतील, त्यावेळीं या सूचनेवर विचार होईल.

ही सूचना अमलांत आणायची झाली तर मुंबईतील कापडगिरण्यावर निरनिराळ्या प्रांतिक सरकारचें उत्पादनाबाबत नियंत्रण सुरू होईल.

● गोवा नॅशनल काँग्रेसने गोव्यांतील सद्यःस्थिती व गोव्यांतील हिंदी जनतेच्या मागण्याबाबत एक निवेदन हिंदी सरकारकडे पाठविलें आहे. जुल्म दडपशाहीच्या परिस्थितींत गोव्यांमध्यें सार्वमत घेण्यांत कांहीं अर्थ नाहीं. असें स्पष्ट यांत ह्मटलें असून गोवा घटना समितीची मागणी केली आहे.

● पुढील २६ जानेवारीस अस्तित्वांत येणाऱ्या हिंदी लोकसत्तेच्या नाण्याच्या डिझाईन्सबाबत सरकारनें कांहीं निर्णय घेतले आहेत. नवीन नाण्यावर राजाच्या मुकुटाची जागा तीन सिंह व अशोकस्तंभ घेईल. नाण्याच्या उलट्या बाजुस अशोक वृषभ, मोर इत्यादि वेगवेगळीं डिझाइन्स असतील.

India's Auspicious Day

In India 15th August is commemorated as the festival-day.

With God's favour we displaced the barbarous slavery sprite, from this eldorado, and decorated the Mother country with our past pomp and pride.

Glory be to the Omnipotent who created the soul of Gandhiji with the light of liberty, and who sprinkled the freedom's water in our Bapugi's toil and moil.

The lucky star of the nation, elevated with its most powerful rays, and illuminated each corner of the continent with freedom's agil beams.

The auspicious and propitious day-15th August-when the lovesome Prince of liberty was enthroned on the royal seat, wearing a golden crown, shattering the bondage clouds, embellishing the golden land.

By faith and love, and by labour and honour, he who regained the liberty of India, is now no more in this land, to spend his happy life, and to admonish the ferocious dwellers.

We are so fradulent and tyrant, that we ourselves lost the precious gem, and filled the land of light with gloom,

Was it not a worst operation, of our oppressive hands which killed our brave and stout warrior and dyed the Matropoliton with his blood?

Though his mould is not visible but his free soul is singing the songs, of freedom and roaming in his beloved nation.

Truth is mighty and will prevail. Unless God be with you all your toil, is vain. Love conquere all things. Evil be to him who evil thinks.

In our golden shire, let justice be done though the heavens should fall.

Trust one who has tried. Never think the evil of others, beceuse nothing travells more swiftly than scandal.

It is sweet and glorious to die for ones country. I pray the Almighty for Gandhiji, who sacrficed his laudable life, with heart and soul, and who is a constant friend of us.

"May his soul rest in peace"

By Master A. D. Shaik
Kodibag Karwar.

कानडी मुलुखाचा एक निराळा घटक बनवावा. पण असें करतानां त्या मुलुखात आज अन्यायेकरून प्रविष्ट झालेले अन्य भाषिक भाग मराठी, तेलगु वगैरे त्या त्या भाषिक प्रांतास जोडण्यांत यावेत. पण आजच्या घटकेला आर्थिक दृष्ट्या व इतर बलवत्तर कारणाकरितां प्रांतीकरण शक्य नसेल तर सरकारनें अहर्निश डुरकावणाऱ्या व आक्रोश करणाऱ्या भाषादुरभिमानी काँग्रेस जनानां सुद्धां योग्य तो समज देणें जरूर आहे. नाहीं तर आजच्या कर्नाटकाप्रमाणें इतर प्रांतातही प्रगतीच्या ऐवजीं पुच्छगती झालेली मात्र आढळून येईल हें निश्चत.

गोमंतक-स्वातंत्र्याचें, आश्वासन नव्हे, खात्री

गोमंतक मंडळ, पुणे, यांच्या तर्फे साजऱ्या झालेल्या "स्वातंत्र्यदिनाच्या" उत्सवांत भाषण करितांना दे. नामासाहेब देवगिरीकर ह्मणाले,

"मला माहित आहे, आज तुमची अंतःकरणे आनंद आणि खेद यानीं भरून आलीं आहेत. हिंदुस्थान स्वतंत्र होऊन दोन वर्षे झाली तरी आपण परतंत्र आहो, गुलाम आहों याची तुह्मांला खंत वाटत आहे. पण, मी तुह्मांला असे आश्वासन, नव्हें खात्री देतों कीं, गोमंतकाचा प्रश्न अगदीं जवळच्या काळात सोडविला जाईल. इतकेंच नव्हे तर तो प्रश्न तुमचा नसून आमचा आहे. आणि तो हिंदी जनतां आणि हिंदी सरकार खात्रीने सोडविल, गोमंतक हा हिंदुस्थानचा अविभाज्य घटक आहे, या भावनेनें केवळ नव्हे तर आपल्या अस्तनींत ज्ञात-अज्ञात शत्रूंना कारवाई करतां येईल असें मोकळे रान राखून ठेवण्या इतकें आपले सरकार खास दुधखुळे नाही. पण, येवढें लक्षांत ठेवा कीं, स्वातंत्र्य ह्मणजे सुख नव्हे, तर केवळ संघर्ष करण्याची शक्ति, सुखा बरोबरच दुःख आणि अडचणींनाहि तुह्मांला तोण्ड द्यावे लागेल. अखिल हिंदुस्थानच्या जीवनाशीं एकरुप व्हावे लागेल. ह्याचा अर्थ असा नव्हे कीं, तुमच्या अडीअडचणींचा विचार केला जाणार नाहीं. भारताची संस्कृतीच एवढी थोर आहे कीं, "स्वताला त्रास झाला तरी दुसऱ्यानां संतोष देणे हाच त्याचा धर्म आहे" थोडा उशीर झाला तरी तुह्मी उदास होण्याचे कारण नाही. आह्मां मातीच्या गोळ्यांत महात्मांजींनी नवचैतन्य ओतलें. हिंदुस्थानांत स्वातंत्र्याचा सुर्योदय झाला, मग, कोणीही कितीही प्रयत्न केले ह्मणून त्याचा एक कोपराच एवढा अंधःकारांत कसा राहील?"

आजादीका रोज

पन्दरा अगस्त का रोज है न्यारा
भारत है आजाद हमारा।
हँसी खुशी हर मन में है आज।
फूलों में काटों में है आज।
जल और थल में रौनक हैं आज
मित्र व दुशमन प्रेम से है आज।
पन्दरा अगस्त का — — न्यारा।
भारत है — — हमारा।
चिडियाँ संदेशा लाती हैं।
आजादी गीतें गाती हैं।
बाग में तितलियाँ उडती हैं
कलियाँ खिल खिल कर हँसती हैं।
पन्दरा अगस्तका — — न्यारा!
भारत है — — हमारा।
गाँव में रौनक शहर में शोभा।
हरी भरी है भूमी माता।
सारा अुजाला आजादीका
जाने वाले देखता जा।
पन्दरा अगस्त का — — न्यारा।
भारत है — — हमारा।
बापू गर होते भारत में
जिनकी आत्मा है हिन्दुस्ताँ में।
पौदे लगाते अिस गुलशन में।
खुशियाँ मनाते अिस भारत में।
पन्दरा अगस्त का — — न्यारा।
भारत है — — हमारा।
हिन्दुस्ताँ की दैव समझ लो
बापू को जिन्दा हि समझ लो।
अुनके ही तत्वों पर चल दो।
मन को कपट से साफ भी कर लो।
पन्दरा अगस्त का — — न्यारा।
भारत है — — हमारा।

अन्नधान्यावरील नियंत्रणें कायम राहणार

देशांत जोंपर्यंत अन्नधान्याचा तुटवडा आहे तोंपर्यंत अन्नधान्यावरील नियंत्रणें उठविलीं जाणार नाहींत. असे उद्गार पं. नेहरूनीं संयुक्त प्रांत प्रांतिक काँग्रेस कमिटीच्या बैठकींत अन्नधान्य उत्पादनाच्या ठरावावर बोलतांना काढले. ते ह्मणाले मागें ही चूक झाली त्याची पुनरावृत्ति आतां होणार नाहीं.

विचारी

अधिकार तैसा करूं उपदेश ।
साहे ओझें त्यास तेंचि द्यावें ॥ १ ॥

विचारी, गुरुवार, ता. १ माहे सप्टेंबर १९४९

कर्नाटकाची प्रगति कीं पुच्छगति ?

एकांतिक विचारानें माणूस आंधळा होतो, याचें प्रत्यंतर पहावयाचें असेल तर कर्नाटक काँग्रेस समितीच्या वतीनें कर्नाटक प्रांतीकरणाची दुंदुभी वाजविण्यास दिल्लीस गेलेल्या शिष्ट मंडळानें जे आपलें विचित्र व विस्मयजनक मनोगत व्यक्त केलें त्याकडे पहावें. काँग्रेसनें आजपर्यंत उराशी बाळगलेल्या लोकशाही स्वातंत्र्याची तत्वें पार झुगारून देऊन, ह्या स्वयंनिर्मित शिष्टमंडळानें आपल्या प्रादेशिक भाषिकतेचें लाजिरवाणें प्रदर्शन केलें आहे.

ह्या शिष्टमंडळाचे पुढारी बेळगांवचे श्री. दातार होते. हे गृहस्थ सुविद्य आहेत. पण अलीकडे त्यांच्या मनावर प्रांतिकतेची धुंदी आल्याची त्यांच्या निवेदनावरून दिसून येते. अखिल कर्नाटकाचा मक्ता ह्या शिष्टमंडळाला कोणी बहाल केला हेंच समजत नाहीं.

प्रांतिक काँग्रेल समिती ह्मणजे कांहीं प्रांतिक जनतेची प्रतिनिधिक संस्था नव्हे. ह्या संस्थानां हल्लीच्या राजकीय परिस्थितीमुळें महत्व आलें आहे, हें निर्विवाद होय. त्यानीं फार तर प्रांतांतील काँग्रेसजनाच्या वतीनें बोलावें पण हल्लीच्या लोकशाहीच्या युगांत 'मी ह्मणजे राष्ट्र होय' असें फ्रेंच राजा जें ह्मणत असे त्या भ्रांत राजानें किंवा एका संस्थेने फुशारकी मारणें अप्रस्तुतच होय. काँग्रेसजनामध्यें सुद्धां असे कित्येक लोक आहेत कीं, ते प्रांतीयकरणापेक्षां लोकशाही स्वातंत्र्यालाच ज्यास्त महत्व देतील व ते आज हिंदमधें स्वातंत्र्य अनुभवीत असलेल्या कानडी देशाला राजेशाहीच्या आधिपत्याखालीं खितपत असलेल्या मैसूर संस्थानांत विलीन करण्याच्या आपमतलबी लोकांच्या कारवाईला विरोधच करणार यांत शंका नाहीं.

आजच्या मुंबई प्रांतांतील कन्नड भाषिक २½ जिल्हे एकत्र करून त्यानां. एका प्रांतांत गोवणें आर्थिक दृष्ट्या अव्यवहार्य व अप्रयोजक होईल असें दार समितीनें स्पष्ट केलें आहे. पण ह्या शिष्टमंडळाला हें सम्मत नाहींसें दिसतें. त्यांच्या ह्मणण्याप्रमाणें हा प्रांतसुद्धां स्वयंपूर्ण आहे व होईल. असें जर असतें तर लोकशाही स्वातंत्र्याला पारखे झालों तरी हरकत नाहीं, पण मैसूर महाराजाच्या विधिनियंत्रित राजाश्रयाखालीं वावरण्यास आपण तयार आहोंत अशी त्यानी भूमिका कां घ्यावी? मैसुरच्या प्रजाजनानां लोकशाहीकडे आधीं वळा व नंतर आमच्या कर्नाटकांत या असें त्यानीं कां ह्मणूनयें? तसेंच कोल्हपुर, बडोदा, कोचीन व त्रावणकोर सारखी प्रगत झालेल्या संस्थानांची जशी बिल्हेवाट लावली गेली तशी मैसूरच्या संस्थानांचीही बिल्हेवाट लावावी अशी आपल्या प्रांतिक पुढाऱ्यानी केंद्र सरकार कडे कां मागणी करूं नये? मैसूरशिवाय कर्नाटक प्रांत होत नसेल तर हिंदच्या कानड्यानीं थोडा धीर धरणेंच रास्त होईल व आजच्या मुंबई प्रांतातच आपल्या भाषेची व संस्कृतीची वाढ कशी होईल याकडेच जास्त लक्ष पुरवावें. आंध्र किंवा कर्नाटक या प्रांतांचीच मागणी आज करण्यांत येत आहे या वरूनं हेंच सिद्ध होतें कीं, आंध्रियानां किंवा कर्नाटकीयानां भाषातत्व सर्वत्र लागु करण्याची वेळ अजून आलेली नाहीं असेंच वाटत असावें. तसें असेल तर ह्या भाषांध लोकांनां आपल्या प्रांताबाहेर जग आहे व आपल्या भाषिकेतर लोक हिंदमध्यें आहेत याची जाणीवच नाहीं असेंच ह्मणावें लागतें.

कर्नाटक प्रांतीकरण करतानां उद्भवणारा सीमा निश्चितीचा प्रश्न तत्संबंधित काँग्रेस समित्यांकडे सोपवावा असें या शिष्टमंडळानें झटलें आहे. आजच्या कर्नाटकांत कानडेतर असा बराच मोठा भाग आहे. तसा प्रकार जवळच्या महाराष्ट्रांत किंवा आंध्रप्रांतांत नाहीं. मैसूरचा कोलार सोन्याच्या खाणीचा बराचसा भाग तेलगु भाषिक आहे. बेळगांव व कारवार जिल्ह्यांतील मोठा भाग मराठी आहे. तेव्हां एवढा मोठाला भाग गिळंकृत करण्याकरितां कांहींतरी गडबडगुंडा करून आपल्याला पाहिजे तसा निर्णय काँग्रेस समित्यांतर्फे लावून घेऊं असें कन्नडिगांनां वाटणें साहजिकच आहे. कारण काँग्रेस चळवळीच्या सोईकरितां मागें निर्मिलेले भाषिक प्रांतच आज राजकीय विभाग ह्मणून मान्य करून घेणें त्यामुळें सोपें होईल व काँग्रेसजन त्याला कबुली देतील. कोणी सांगावें? ह्मणून, भाषिक प्रांतांच्या हद्दी सरकारने नेमलेल्या सीमासमितीनेंच सोडविणें लोकशाहीतत्वाला धरूनच आहे. कन्नडभाषाभिमान्यानां लोकशाही स्वातंत्र्याहून राजेशाहीप्रत जायचे असेल तर ते खुशाल जावोत. पण आपल्या बरोबर अन्य भाषिकानांसुद्धां किंचितही कारण नसतानां संस्थानिकशाहीच्या –मग ती रामतुल्य राजाची कां असेना– गर्तेत लोटूं नये हेंच बरें.

आजच्या केंद्र सरकारेनसुद्धां अशा प्रांतिक दुष्यम काँग्रेस पुढाऱ्यांच्या धमकीला भीक घालूनये. लोकशाहीच्या विरुद्ध वर्तन करणाऱ्यानां काँग्रेस धुरिणांनी आपल्या संस्थेतून हाकलुन द्यावे. मैसूर संस्थान जर टिकवायचें असेल तर तें एक निराळा घटक ह्मणून ठेवण्यास हरकत नाहीं व तो जेव्हां लोकशाहीप्रधान होईल तेव्हां त्याला हिंदच्या कानडी मुलुखांत विलीन करावा. तोपर्यंत शक्य असेल तर, व भाषातत्व सर्वत्र लागू करण्याचें ठरेल तर हिंदमधला

हिंदचें नांव 'भारत' ठेवणार काय?

नवी दिल्ली येथें स्वातंत्र्यदिनाच्या दिवशीं ध्वजारोहण करतांना पं. जवाहरलाल नेहरूनीं देशाचा उल्लेख 'भारत' या नांवानें कित्येक वेळां केला. तेव्हां कदाचित् भारत हेंच नांव अखेरीस पसंत केलें जाईल असा आतां तर्क केला जात आहे.

गांधी खून खटल्यांतील साक्षीदारावर हल्ला

म. गांधींच्याखुनाच्या खटल्यांत सरकारतर्फे साक्ष देणाऱ्या जुम्मा या टांगेवाल्यावर कांहीं अज्ञात लोकांनी हल्ला करून त्याला ठोकलें. येथील आय. ए. इस्पितळांत उपचारासाठीं त्याला नेलें असून त्याची प्रकृति काळजी करण्यासारखी आहे.

५७ लोकांना जेवतांना पोलिसांनीं पकडलें

पुणें येथें सिद्धप्पा लछम्या छिप्पा नांवाच्या साळी समाजांतील धर्मप्रमुखानें आपल्या समाजांतील चालीरीतीप्रमाणें मुलाच्या बारशानिमित्त जेवणावळ घातली. ती नियमबाह्य असल्यामुळें सध्याय कंट्रोलच्या पोलिसांनीं छापा घालून ५७ जणांना जेवताना पकडलें. सदर गुन्ह्याबद्दल सिद्धप्पा वगैरे दोघांवर खटला भरण्यांत आला आहे.

मेहवासी पद्धत नष्ट होणार

मुंबई प्रांतांतील मेहवासी जमिनधारा पद्धत नष्ट करणारे बिल मुंबई सरकारच्या १९ ऑगस्ट १९४९ च्या गॅझेटमध्यें प्रसिद्ध झाले आहे.

ही पद्धत पंचमहाल जिल्ह्यांत कालोल तालूक्यांतील २१ खेड्यांत चालु आहे. मेहवासदार हे सरकारतर्फे जमीन महसूल वसुल करतात. पण आतां त्यांची उपयुक्तता संपल्यामुळें सरकारनें ही पद्धत नष्ट करण्याचें ठरविलें आहे.

लायसेन्सवाल्या सुताच्या व्यापाऱ्यांस सवलत

लायसेन्सवाल्या सुताच्या व्यापाऱ्यांस सध्यां सरळ गिरण्याकडून सूत खरेदी करण्यापूर्वी सुताच्या कारखान्याच्या किंमतीवर६¼ टक्के रक्कम सरकारला द्यावी लागते. अशा प्रकारची खरेदी मोठ्या प्रमाणावर करणें शक्य व्हावें म्हणून मुंबई सरकारनें व्यापाऱ्यांकडून घ्यावयाच्या रकमेंत कपात करून ही रक्कम ६¼ टक्यांवरून तीन टक्यांवर आणली आहे. एकावेळी ५० किंवा त्याहून अधिक 'पॅकेजें' खरेदी करणाऱ्या लायसेन्सवाल्या घाऊक व्यापाऱ्यानांच ही सवलत देण्यांत येईल. ग्राहकानां दिली जाणार नाहीं. सदरहू सवलत ताबडतोब अमलांत येईल.

धार्मिक कार्यासाठीं दारू दिली जाणार

ख्रिश्चन ज्यु आणि पार्शी जमातीना त्यांच्या धार्मिक समारंभासाठीं लागणारी दारू पुरविण्याची सोय करण्याचें मुंबई सरकारनें ठरविलें आहे. अशा प्रसंगी उपयोगांत आणली जाणारी वाईन किंवा दारू केवळ प्रतिकात्मक असेल आणि तिचे प्रमाणही अल्प असेल. या दारूंत अल्को होलचें प्रमाण १० ते १२ टक्के राहील. सर्व जमातीनां हा नियम लागु आहे.

धार्मिक कार्यासाठीं लागणाऱ्या वाईनचें व दारूचें वाटप करण्यासाठीं सोयिस्कर ठिकाणि डेपो उघडण्यांत येईल. धार्मिक कार्यासाठीं लागणाऱ्या 'वाईन' किंवा दारू बाबत जिल्ह्याच्या कलेक्टरकडे धार्मिक संस्थेच्या शिफारसपत्रासह अर्ज करावेत.

ಹೆಚ್ಚು ಆಹಾರ ಬೆಳೆಯಿರಿ

(ಸಿರಸಿಯಲ್ಲಿ ಮಂತ್ರಿ ಶ್ರೀ. ಪಾಟೀಲ ಮಲ್ಲನ ಗೌಡರ ಬಿನ್ನಹ)

" ಆಹಾರದ ಸಮಸ್ಯೆಯು ಕೇವಲ ಒಕ್ಕಲಿಗರಿಗಷ್ಟೇ ಸಂಬಂಧಿಸಿಲ್ಲ, ಆದರೆ ಇತರರು ಕೂಡ ಈ ವಿಷಯದಲ್ಲಿ ಮುಂದೆ ಬಂದು ಶಕ್ಯವಿದ್ದಮಟ್ಟಿಗೆ ಹೆಚ್ಚು ಆಹಾರ ಬೆಳೆಯುವಲ್ಲಿ ನೆರವಾಗಬೇಕು " ಹೀಗೆಂದು ಮುಂಬಯಿ ಸರಕಾರದ ಒಕ್ಕಲತನ ಹಾಗೂ ಅರಣ್ಯ ಖಾತೆಗಳ ಮಂತ್ರಿ . ಶ್ರೀ. ಪಾಟೀಲ ಮಲ್ಲನ ಗೌಡರು ಸಿರಸಿಯಲ್ಲಿ ಆಗಸ್ಟ ೧೮ ನೇ ದಿನ ನೆರೆದ ಜಿಲ್ಲಾ ಆಹಾರೋತ್ಪಾದನ ಪರಿಷತ್ತಿನಲ್ಲಿ ಹೇಳಿದರು.

ಜಿಲ್ಲಾ ಆಹಾರೋತ್ಪಾನ ಪರಿಷತ್ತುಗಳು ಎರಡನೆಯ ಬಾರಿ ಪ್ರಾರಂಭವಾಗಿದ್ದು ಪ್ರಥಮ ಪರಿಷತ್ತು ಸಿರಸಿಯಲ್ಲಿ ನೆರೆಯಿತು.

ಪ್ರಾಂತದಲ್ಲಿ ಸುಮಾರು ೧೭–೨೦ ಸಾವಿರ ಗೃಹರಕ್ಷಕರಿದ್ದು " ಹೆಚ್ಚು ಆಹಾರ ಬೆಳೆಯಿರಿ " ಆಂದೋಲನದಲ್ಲಿ ಅವರಿಂದ ಬಹಳಷ್ಟು ನೆರವು ದೊರತ ಬಹುದೆಂದು ಒಕ್ಕಲತನ ಮಂತ್ರಿಗಳು ಅಭಿಪ್ರಾಯ ಪಟ್ಟರು.

ಶಿಕ್ಷಕರು ಹಾಗು ವಿದ್ಯಾರ್ಥಿಗಳೂ ಕೂಡ ತಮ್ಮ ಬಿಡುವಿನ ದಿನಗಳಲ್ಲಿ ಹಳ್ಳಿಗಳಿಗೆ ಹೋಗಿ ಅಧಿಕ ಆಹಾರೋತ್ಪಾದನದ ಬಗ್ಗೆ ಪ್ರಚಾರ ಕಾರ್ಯ ಕೈಕೊಂಡು ನೆರವಾಗಬಲ್ಲರೆಂದು ಮಂತ್ರಿಗಳು ಸೂಚಿಸಿದರು.

ಆಹಾರದ ಸಮಸ್ಯೆಯನ್ನು ಸಮಾಧಾನಕರವಾಗಿ ಬಿಡಿಸಲು ತಾವು ಯಾವಾಗಲೂ ಜಿಲ್ಲಾ ಕಾರ್ಯ ಕರ್ತರೊಡನೆ ಸಂಪರ್ಕವನ್ನಿಟ್ಟುಕೊಳ್ಳುವದು ಅವಶ್ಯವೆಂದು ಎಣಿಸಿ ಮಂತ್ರಿಗಳು ಎರಡನೆಯ ಬಾರಿ ಪ್ರಾಂತದಲ್ಲಿ ಸಂಚಾರವನ್ನು ಕೈಕೊಂಡಿರುವರು. ಅವರು ಈ ತಮ್ಮ ಸಂಚಾರದ ಅವಧಿಯಲ್ಲಿ ಪ್ರಾಂತದಲ್ಲಿ ಈವರೆಗೆ ಸಾಧಿಸಿದ ಪ್ರಗತಿಯನ್ನು ವಿಮರ್ಶಿಸುವರು, ಒಕ್ಕಲಿಗರು ಈಗಾಗಲೆ ಅನುಭವದಲ್ಲಿ ಕಂಡುಂಡ ಅಡಚಣೆಗಳನ್ನು ಅಭ್ಯಸಿಸುವರು ಹಾಗು ಅವುಗಳ ನಿವಾರಣೆಗೆಂದು ಕೂಡಲೇ ಏರ್ಪಾಡು ಮಾಡುವರು.

ಈ ಪರಿಷತ್ತಿಗೆ ಉಪಮಂತ್ರಿ ಶ್ರೀ. ಎಸ್. ಆರ್. ಕಂಠಿ, ಉತ್ತರ ಕನ್ನಡ ಜಿಲ್ಲೆಯ ಕಲೆಕ್ಟರ ಶ್ರೀ. ಕೆ. ಎಂ. ಜಾಧವ, ಉತ್ತರ ಕನ್ನಡ ಜಿಲ್ಲಾ ಕಾಂಗ್ರೆಸ ಸಮಿತಿಯ ಅಧ್ಯಕ್ಷ ಶ್ರೀ. ಎಸ್. ಕೆ. ಕೇಶವಾಯಿನ್, ಉತ್ತರ ಕನ್ನಡ ಜಿಲ್ಲಾ ಗ್ರಾಮ ಸುಧಾರಣಾ ಮಂಡಳದ ಕಾರ್ಯದರ್ಶಿ ಶ್ರೀ. ವ್ಹಿ. ಆಂ. ಹೆಗಡೆ, ಶ್ರೀ. ಆರ್. ಎಲ. ಪ್ರಭು, ಎಂ. ಎಲ್. ಎ., ಶ್ರೀ. ಎಂ. ಜಿ. ಗೋಪಿ, ಎಂ. ಎಲ್. ಸಿ. ಮತ್ತು ಉತ್ತರ ಕನ್ನಡ ಜಿಲ್ಲಾ ಗ್ರಾಮ ಸುಧಾರಣಾ ಮಂಡಳದ ಸದಸ್ಯರು ಆಗಮಿಸಿದ್ದರು.

ಹಳ್ಳಿ ಸಮಸ್ಯೆಗಳು

ಉತ್ತರ ಕನ್ನಡ ಜಿಲ್ಲಾ ಆಹಾರೋತ್ಪಾದನ ಪರಿಷತ್ತನ್ನು ಮೊದಲು ಸಿರಸಿಯಲ್ಲಿ ಕಳೆದ ಮೇ ೧೪ ನೇ ದಿನಾಂಕದಂದು ಜರುಗಿಸಲಾಯಿತು. ಅಂದಿನಿಂದ ಆ ಜಿಲ್ಲೆಯಲ್ಲಿ ತಾಲೂಕ ಅಭಿವೃದ್ಧಿ ಮಂಡಳಗಳನ್ನು ಯಾವತ್ತು ತಾಲೂಕ ಹಾಗು ಮಹಾಲಗಳಲ್ಲಿ ಸ್ಥಾಪಿಸಲಾಗಿದೆ. ಒಟ್ಟು ಅಲ್ಲಿರುವ ೧೨೦೦ ಹಳ್ಳಿಗಳಲ್ಲಿ ೪೦೦ ಹಳ್ಳಿಗಳಲ್ಲಿ ಈಗಾಗಲೇ ' ಹಳ್ಳಿ ಆಹಾರೋತ್ಪಾದನಾ ಸಮಿತಿಗಳು ಸ್ಥಾಪಿಸಲ್ಪಟ್ಟಿವೆ. ಇಷ್ಟೇ ಅಲ್ಲದೆ ಅಲ್ಲಿ ೧೦೬ ಸಹಕಾರಿ ಸಂಘಗಳೂ ಕೆಲಸ ಮಾಡುತ್ತಲಿವೆ. ಗಿಡ ನೆಡುವ ಸಪ್ತಾಹದಲ್ಲಿ ಸುಮಾರು ಒಂದು ಸಾವಿರ ತೆಂಗಿನ ಸಸಿಗಳನ್ನು ಹಾಗೂ ಇತರ ಹಣ್ಣಿನ ಗಿಡಗಳ ಸಸಿಗಳನ್ನು ಹಂಚಲಾಯಿತು ಇತ್ತೀಚೆಗ ಹಲ್ಯಾಳದಲ್ಲಿ ಜಿಟ್ಟೆ ಹಾಗೂ ಬೆಂಕಿರೋಗದ ಉಪದ್ರವವು ಪ್ರಾರಂಭವಾಗಿದ್ದು, ಸಂಬಂಧಿಸಿದ ಅಧಿಕಾರಿಗಳು ಅದನ್ನು ಹೊಡೆದು ಹಾಕಲು ಯಾವತ್ತು ಭಗೆಯಲ್ಲಿ ಪ್ರಯತ್ನಿಸುತ್ತಿದ್ದಾರೆ. ಎಂದು ಉತ್ತರ ಕನ್ನಡ ಜಿಲ್ಲಾ ಒಕ್ಕಲತನ ಅಧಿಕಾರಿಗಳು ಪರಿಷತ್ತಿನಲ್ಲಿ ತಿಳಿಸಿದರು.

ಪರಿಷತ್ತಿಗೆ ಆಗಮಿಸಿದ್ದ ಒಕ್ಕಲಿಗರು, ಹಾಗೂ ಸಾಮಾಜಿಕ ಕಾರ್ಯ ಕರ್ತರು ಹೆಚ್ಚು ಆಹಾರ ಬೆಳೆಯುವ ಕಾರ್ಯದಲ್ಲಿ ತಾವು ಪಡೆದ ಅನುಭವವನ್ನು ನಿವೇದಿಸಿದರಲ್ಲದೆ, ತಮ್ಮ ಅಡಚಣೆಗಳನ್ನೂ ಮಂತ್ರಿಗಳಿಗೆ ನಿವೇದಿಸಿದರು. ಗೊಬ್ಬರ ತಯಾರಿಕೆಗೆ ಗಾಂವಠಾಣಾ ಭೂಮಿಗಳು, ಬೆಳೆಗಳಿಗೆ ಧನ ಸಹಾಯ ಹಾಗೂ ಮುಂಗಾರಿ ಬೆಳೆಗಳಿಗೆ ಕಟ್ಟ ಒಡ್ಡುಗಳ ಬಗ್ಗೆ ಅವರ ಬೇಡಿಕೆಗಳು ಇದ್ದವು. ಮಂತ್ರಿಗಳು ಈ ಸೌಕರ್ಯಗಳನ್ನು ಒದಗಿಸಲು ಕೂಡಲೇ ಅಪ್ಪಣೆ ಮಾಡಿದರು.

ಸೇಂಗಾ ಹಿಂಡಿ ಸಾಗಾಟದ ಮೇಲೆ ನಿಯಂತ್ರಣ

ಪ್ರಾಂತದ ರತ್ನಾಗಿರಿ, ಬೆಳಗಾವಿ, ಉತ್ತರ ಕನ್ನಡ ಮತ್ತು ಕೊಲ್ಹಾಪುರ ಈ ನಾಲ್ಕು ಜಿಲ್ಲೆಗಳಲ್ಲಿರುವ ಯಾವದೇ ಸ್ಥಳದಿಂದ ಸೇಂಗಾ ಹಿಂಡಿಯನ್ನು (ಇದರಲ್ಲಿ ಗಾಣದ ಹಿಂಡಿ ಮತ್ತು ಶುದ್ಧ ಹಾಗೂ ಮಿಶ್ರ ಹಿಂಡಿಯು ಸಮಾವಿಷ್ಟವಾಗುತ್ತವೆ) ಜಿಲ್ಲೆಯ ಹೊರಗೆ ಕಲೆಕ್ಟರರಿಂದ ಲಾಯಸೆನ್ಸ ಪಡೆದುಕೊಳ್ಳದೆ ಇಲ್ಲವೆ ಪಡೆದುಕೊಂಡ ಲಾಯಸೆನ್ಸಿನ ಕರಾರು ಮುರಿದು ರಸ್ತೆ ಮಾರ್ಗವಾಗಿ ಸಾಗಿಸಕೂಡದೆಂದು ಮುಂಬಯಿ ಸರಕಾರವು ಪ್ರತಿಬಂಧಿಸಿದೆ.

ಸೇಂಗಾ ಹಿಂಡಿಯನ್ನು ಲಾಯಸೆನ್ಸ ಇಲ್ಲದೆ ರೇಲ್ವೆ ಹಾಗು ಜಲ ಮಾರ್ಗಗಳಿಂದ ಸಾಗಿಸಕೂಡದೆಂದು ಈ ಜಿಲ್ಲೆಗಳಲ್ಲಿ ಈಗಾಗಲೆ ಹಾಕಲ್ಪಟ್ಟ ಪ್ರತಿಬಂಧವೂ ಅಮಲಿನಲ್ಲಿ ಉಳಿಯುವದು.

ದಿನಾಂಕ ಆಗಸ್ಟ ೨೫, ೧೯೪೯ ರ ಮುಂಬಯಿ ಸರಕಾರದ ವಿಶೇಷ ಗೆಝೆಟ್ಟಿನಲ್ಲಿ ಈ ಬಗ್ಗೆ ಆವಶ್ಯಕ ಆಜ್ಞೆಯನ್ನು ಪ್ರಸಿದ್ಧಿಸಲಾಗಿದೆ.

ಆಜ್ಞೆ

ನಂ. 2312–H.– ಮುಂಬೈ ಆವಶ್ಯಕ ಪದಾರ್ಥ ಹಾಗೂ ಧನಕರುಗಳ (ನಿಯಂತ್ರಣ) ಕಾನೂನ 1946 (Bom XXII of 1946), ಹಾಗೂ ಸಂಸ್ಥಾನ ಲೀನೀಕರಣ (ಗವರ್ನರ ಪ್ರಾಂತ) ಅಪ್ಪಣೆ 1949 ರನ್ವಯ ಕೊಡಲಾದ ಅಧಿಕಾರ ಪ್ರಕಾರ ಮುಂಬೈ ಸರಕಾರದವರು ವಿಧಿಸುವದೇನೆಂದರೆ:—

(I) ಈ ಆಜ್ಞೆಯು ಮುಂಬೈ ಗ್ರಾವ್ಹುಂಡ ನಟ್ ಓಯಿಲ್ ಕೇಕ್ಸ (ರೆಗ್ಯುಲೇಶನ ಆಫ್ ಟ್ರೇಡ್ ಎಂಡ್ ಮೂವ್ಹಮೆಂಟ ಬಾಯ ರೋಡ್) ಆಜ್ಞೆ, 1949 ಎಂತ ಕರೆಯಲಾಗುವದು.

(II) ಈ ಆಜ್ಞೆಯು ಶಿಡ್ಯೂಲಿನಲ್ಲಿ ಕಾಣಿಸಲಾದ ಜಿಲ್ಲೆಗಳಿಗೆ ಆದು ಅನ್ವಯಿಸುವದು.

(III) ಆದು ಕೂಡಲೆ ಅಮಲಿನಲ್ಲಿ ಬರುವದು.

2 ಜಿಲ್ಲಾ ಕಲೆಕ್ಟರರು ಕೊಟ್ಟ ಪರಮಿಟ ಹಾಗೂ ಅದರ ಶರ್ತುಗಳನ್ವಯದ ಸಾಗಾಟ ಬಿಟ್ಟು ಯಾವನೇ ಮನುಷ್ಯನು ಈ ಶಿಡ್ಯೂಲಿನಲ್ಲಿ ಕಾಣಿಸಲಾದ ಯಾವದೇ ಜಿಲ್ಲೆಯೊಳಗಿನ ಯಾವದೇ ಸ್ಥಳದಿಂದ ಆ ಜಿಲ್ಲೆಗಳ ಹೊರಗಿನ ಯಾವದೇ ಸ್ಥಳಕ್ಕೆ ಸೇಂಗಾ ಹಿಂಡಿಯನ್ನು (ಇದರಲ್ಲಿ ಗಾಣದಿಂದ ತಯಾರಿಸಿದ ಹಿಂಡಿಯೂ ಸಮಾವಿಷ್ಟವಾಗಿದೆ. ಹಾಗೂ ಕೇವಲ ಹಿಂಡಿ ಅಥವಾ ಬೇರೆ ಪದಾರ್ಥ ಅಥವಾ ಪದಾರ್ಥಗಳೊಡನೆ ಕೂಡಿಕೊಂಡ ಹಿಂಡಿಯೂ ಸಮಾವಿಷ್ಟವಾಗುತ್ತದೆ.) ರಸ್ತೆಯ ಮೇಲಿಂದ ಸಾಗಿಸಕೂಡದು.

ಶಿಡ್ಯೂಲ–ಜಿಲ್ಲೆಗಳು,

1. ರತ್ನಾಗಿರಿ, 2. ಬೆಳಗಾಂವ, 3. ಕಾನಡಾ, 4 ಕೊಲ್ಹಾಪುರ.

(ಮುಂಬೈ ಗವ್ಹರ್ನರರ ಅಪ್ಪಣೆಮೇರೆಗೆ)

India's Auspicious Day

In India 15th August is commemorated as the festival-day.

With God's favour we displaced the barbarous slavery sprite, from this eldorado, and decorated the Mother country with our past, pomp and pride.

Glory be to the Omnipotent who created the soul of Gandhiji with the light of liberty, and who sprinkled the freedom's water in our Bapugi's toil and moil.

The lucky star of the nation, elevated with its most powerful rays, and illuminated each corner of the continent with freedom's agil beams.

The auspicious and propitious day-15th August-when the lovesome Prince of liberty was enthroned on the royal seat, wearing a golden crown, shattering the bondage clouds, embellishing the golden land.

By faith and love, and by labour and honour, he who regained the liberty of India, is now no more in this land, to spend his happy life, and to admonish the ferocious dwellers.

We are so fradulent and tyrant, that we ourselves lost the precious gem, and filled the land of light with gloom,

Was it not a worst operation, of our oppressive hands which killed our brave and stout warrior and dyed the Matropoliton with his blood?

Though his mould is not visible but his free soul is singing the songs, of freedom and roaming in his beloved nation.

Truth is mighty and will prevail. Unless God be with you all your toil, is vain. Love conquere all things. Evil be to him who evil thinks.

In our golden shire, let justice be done though the heavens should fall.

Trust one who has tried. Never think the evil of others, beceuse nothing travells more swiftly than scandal.

It is sweet and glorious to die for ones country. I pray the Almighty for Gandhiji, who sacrficed his laudable life, with heart and soul, and who is a constant friend of us.

"May his soul rest in peace"

INDIAN ELECTRICITY RULES 1937.

No. 1006/48.—The following notice published by the Chairman, Board of Directors, Bhatkal Electric Supply and Industries Limited, Bhatkal, in the issues of the *Vichari* dated the 1st, 11th and 21st September 1949, is republished :—

Notice.

THE BHATKAL ELECTRIC SUPPLY AND INDUSTRIES LIMITED.

NOTICE IS HEREBY GIVEN that the Bhatkal Electric Supply and Industries Limited, Bhatkal (North Kanara), have submitted an application to the Secretary to Government, Public Works Department, Bombay, for the grant of a licence under section 3 of the Indian Electricity Act, 1910, to supply electrical energy throughout the municipal limits of Bhatkal Town and a portion of District Local Board area comprising part of village Purwarga including the P. W. D. Road along its side for the purpose and upon the terms specified in the draft licence produced below.

Copies of the draft licence may be obtained on payment of a sum of Rupee one per copy and the map of area of supply may be inspected at the office of the Bhatkal Electric Supply and Industries Ltd., Bhatkal.

Every local authority, company or person desirous of making any representation to the Local Government or of bringing before it any objection regarding the above application may do so by letter addressed to the Secretary to Government Public Works Department, Bombay, within three months from the date of this notice, a copy of the representation or objection being furnished to the applicants at the same time—*vide* rules 15 and 16 of the Indian Electricity Rules, 1937.

THE BHATKAL ELECTRIC LICENCE, 1949.

Applicant:—The Chairman, Board of Directors, Bhatkal Electric Supply and Industries Ltd., Bhatkal (District North Kanara).

THE BHATKAL ELECTRIC LICENCE, 1949.

LICENCE GRANTED BY THE GOVERNMENT OF BOMBAY FOR THE SUPPLY OF ENERGY UNDER THE INDIAN ELECTRICITY ACT, 1910.

Licence.—Licence is hereby granted to Bhatkal Electric Supply and Industries Ltd., Bhatkal (N. Kanara), (carrying on business by a joint stock Company under the name and style of Messrs. Bhatkal Electric Supply and Industries Ltd., Bhatkal) and having its registered office at Bhatkal (N. Kanara) to supply energy in the area with the powers and upon the terms and conditions specified below :—

1. *Short title.*—This licence may be cited as "THE BHATKAL ELECTRIC LICENCE, 1949."

2. *Interpretation.*—In this licence—

(1) "Act" shall mean the Indian Electricity Act, 1910;

(2) "rules" shall mean the rules made under the Act;

(3) "Licensee" shall mean and include the said Bhatkal Electric Supply and Industries Ltd. and their permitted assigns;

(4) "deposited map" shall mean the plan of the area of supply as hereinafter specified, which has been deposited with Government in pursuance of the rules, which plan is signed, for the purpose of identification, by the Secretary to the Government of Bombay in the Public Works Department and by the Licensee ;

(5) "the commencement of this licence" shall mean the date of the notification by the Government of Bombay in the *Bombay Government Gazette* by which this licence is granted ;

(6) "Government" shall mean the Provincial Government of Bombay ;

(7) words and expressions not defined in this licence but defined in the Act or the rules shall have the meaning assigned to them in the Act or the rules as the case may be.

3. *Security.*—(1) The period within which the Licensee shall show under sub-clause (*a*) of clause 1 of the schedule to the Act that he is in a position fully and efficiently to discharge the duties and obligations imposed upon him by the licence throughout the area of supply shall, unless otherwise ordered by Government under clause (*b*) of sub-section (3) of section 4 of the Act, be nine months from the commencement of this licence.

(2) Unless otherwise ordered by Government under clause (*b*) of sub-section (3) of section 4 of the Act, the sum which the Licensee shall deposit or secure to the satisfaction of Government under sub-clause (*b*) of clause 1 of the schedule to the Act, shall be Rupees Two Thousand and the period within which such sum shall be so deposited or secured shall be thirty days from the commencement of this licence.

4. *Area of Supply.*—The area within which the supply of energy is authorised by this licence, hereinbefore and hereinafter referred to as "the area of supply" shall be the whole of the area comprised within the Municipal Limits of Bhatkal Town and a portion of the area of D. L. B. marked as RSPT and comprising a part of the village of Purwarga including the P. W. D. road along its side which are shown by yellow and red coloured lines respectively on the deposited map and are bounded as follows :—

(1) *Municipal Area.*—

North.—By boundaries of Jali and Bilalkhand villages of Bhatkal Petha.
East.—By nala known as Kattadhole and Mudbhatkal Hole.
West.—By boundaries of Jali village.
South.—By Sankad Hole and Sarabi Hole ; Mudalli and Belni villages and Purwarga and Chowthani villages.

(2) *District Local Board Area.*—Comprising a part of the Village Purwarga bounded as follows :—

North.—By Sankad Hole.
East.—By part of Mudbhatkal Hole.
West.—By P. W. D. Road from Bhatkal town to Byndoor (included).
South.—By line marked 'TP'.

5. *Area of Compulsory Supply.*—

(1) The Licensee shall, within a period of three years from the commencement of this licence, execute works to the satisfaction of Government for the purpose of a full and continuous supply of energy throughout the streets or parts of streets as are mentioned below and shown in red colour on the deposited map :—

(1) P. W. D. Road (provincial) marked as ABOFC.
(2) Sultan and Alwa Streets marked as BNDE.
(3) Mahamadali Road and Nehru Road marked as DFG.
(4) Jamiamohalla and Khalipha Streets marked as DHJ.
(5) Kaji Street as marked KLM.
(6) Marikatta Road as marked NOP.
(7) Manakuli Street as marked PQ.

Note.—The supply of electrical energy shall be given during night time only till such time as sufficient day load is available.

(2) In the case of any difference between the description of the streets mentioned in sub-clause (1) of this clause and that indicated on the deposited map, the latter shall prevail.

(3) The Licensee shall commence to execute the works aforesaid within nine months from the commencement of this licence and shall complete the execution of the works aforesaid and shall commence the supply of energy within three years therefrom.

(4) The licensee shall every three months submit reports to Government and also to the Electrical Engineer to Government specifying the progress made up to date from the commencement of the licence in the execution of the works in the compulsory area.

(6) *Revocation of Licence.*—

If the licensee fails to comply with the provisions of sub-clause (1), (3) or (4) of clause 5, or, if in the opinion of Government, the progress made during any portion of the said period of three years is unsatisfactory, the licence shall be liable to be revoked, and the security furnished as per sub-clause (2) of clause 3 shall be forfeited.

7. *Purposes and limitation of supply.*—(1) Subject to the provisions of this licence and Act and the rules, the licensee shall be entitled during the continuance of this licence to supply energy within the area of supply for all purposes :

Provided firstly, that nothing in this licence shall be construed to prevent any railway or Government Authority from purchasing their power requirements from any other railway or Government Department or an Electricity Board that may hereafter be set up by Government for their own industrial, domestic or other uses.

Provided secondly, that nothing in this licence shall be construed to prevent any person requiring 50 KW or more of electric power from purchasing his power requirements from any Government Department or an Electricity Board that may hereafter be set by Government for his own industrial, domestic or other uses.

Provided thirdly, that no supply of energy shall be commenced to be given by the licensee to any owner or occupier of private premises unless and until the licensee has completed all the works relating to the licence and such works have been inspected by the Electric Inspector, Bombay Province, and passed by him in writing, and until Government have approved—

(a) the form of requisition to be made by such owner or occupier for such supply of energy ;

(b) the form of written contract or agreement with the licensee to take a supply of energy to be executed or entered into by such owner or occupier ;

(c) the amounts of all miscellaneous charges which the licensee proposes to make against such owner or occupier as incidental to or in connection with such supply ; and

(d) the conditions which the licensee proposes to make to regulate his relations with his consumers.

Provided fourthly, that where all the works have not been completed by the licensee, and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Electrical Engineer to Government, whose decision in the matter shall be final.

(2) Clauses V, VI, VII, IX, X and XI of the Schedule to the Act, shall wherever necessary, be read as expressly added to or varied to the extent set out in the proviso to sub-clause (1) of this clause.

(3) The licensee shall not supply energy to any premises unless the owner or occupier of such premises has satisfied the licensee that all work including repairs relating to Electric wires, fittings and apparatus on such premises has been carried out by a licensed electrical contractor and under the supervision of a Competency Certificate holder under the rules or orders issued by Government in this behalf, or by such other person as may be authorised to carry out such works under rule 48 of the rules and clause VI of the Schedule to the Act shall be deemed to be modified accordingly.

8. *System of supply.*—(1) The system of supply of energy which may be adopted for the purpose of this license shall be the Alternating Current single or three phase, three or four wires, periodicity fifty cycles per second. The pressure of supply at the consumer's terminals shall be as under :—

(a) 230 volts between each phase and neutral for general purposes, viz. lights, fans, heaters, refrigerators, etc. ;

(b) 400 volts between phases for motive power purposes and purposes other than those specified in (a) above ; and

(c) Any pressure up to 6600 volts for feeders and for supply to any large consumers for power purposes :

Provided always that no high tension mains shall be brought within or near the populated areas without the specific sanction of Government in each case.

(2) The feeders, distributing mains and service lines may be laid overhead or underground but wherever and whenever specifically required to do so in writing by Government, such feeders, distributing mains or service lines shall be laid underground :

Provided that—

(a) no work or works shall be commenced by the licensee unless and until the method of construction has been previously approved in writing by the Electrical Engineer to Government ;

(b) where overhead mains are used, they shall nowhere be at a height of less than thirty feet from the ground level of the streets at all crossings in all the routes where "raths" or "taboots" or other similar religious processions are likely to pass. In cases of disputes such routes and heights shall be determined by the District Magistrate ;

(c) in narrow lanes or streets the poles for overhead mains shall be placed on the extreme edge of the lane or street and a special construction to be approved by the Electrical Engineer to Government shall be adopted to keep the wires clear of every building ;

(d) no poles for overhead lines shall be erected in streets or thoroughfares which are less than ten feet in width for vehicular traffic ; and

(e) nothing in this license shall authorise the licensee to use overhead mains at a pressure higher than the medium pressure without the written sanction of Government in each case and subject to any conditions or limitations which Government may prescribe in that behalf.

(3) Due precautions shall be taken to avoid any possible interference with the adjacent telephone or telegraph circuits due to inductive effects. The electric wires shall be suitably transposed where necessary.

(4) For the purpose of rule 68 (2) of the rules, the maximum wind pressure shall be taken as 15 pounds per square foot.

9. *Generating, Receiving, Transforming and Distributing Stations.*—(1) The Generating, Receiving, Transforming and Distributing Stations shall be within the area of supply.

(2) The licensee shall employ a resident Electrical Engineer in Technical charge of the undertaking and the appointment of such an Engineer shall have the previous approval of the Electrical Engineer to Government, P. W. D., Bombay.

(3) The licensee shall maintain at all times a standby plant as well as spare parts for the machinery installed, which in the opinion of the Electrical Engineer to Government, may be considered necessary to ensure a regular, constant and sufficient supply of energy to consumers.

10. *Purchase of Energy in Bulk.*—(1) The licensee shall take from an Electricity Board, if set up by Provincial Government, or from any Provincial Government generating station such power as he requires for distribution at any time the Electricity Board or the Provincial Government are in a position to supply at a rate which, in the opinion of the Provincial Government, is not higher than the then prevailing cost of the licensee for generating his own electrical energy at the time of the offer.

(2) If power is taken under sub-clause (1) above, the licensee shall, if so required, sell to the Electricity Board or Government his generating plant at its depreciated book value. If however, the Electricity Board or Government does not wish to purchase the generating plant the licensee shall have full powers to dispose of it.

11. *Rates—Limits of Prices to be Charged.*—The rates to be charged by the licensee for energy supplied by him shall not exceed the maxima set out below, or in the case of a method of charge approved by Government under clause (c) of sub-section (3) of section 23 of the Act such maxima as Government may fix on approving the method, namely :—

(A) Where energy is supplied by meter—

(1) For general supply purposes viz :—

(a) for lights and fans—A rate of annas Twelve per unit ;

(b) for heating, refrigerating and other domestic and general purposes—A rate of annas five and pies six per unit.

Minimum Charge.—A minimum charge of Rupees Three per month may be made in addition to meter hire whether energy to that extent has been consumed or not.

(2) For motive power purposes and purposes other than those mentioned in items 1(*a*) and (*b*) above during day time :—

A standing charge per month for service at the rate of Rupees Three per B. H. P. of connected load for the supply of which licensee is required to make provision and in addition a charge for current determined by meter as follows :—

Annas four and pies six per unit.

Note.—(*a*) The term "Unit" occurring in this sub-clause, shall mean the energy contained in a current of 1,000 amperes flowing under an electromotive force of one volt during one hour.

(*b*) The term "connected load" occurring in this sub-clause shall mean the total rated capacity of the motor or motors in B. H. P. connected to the installations.

(3) *Meter rent.*—The rent to be charged for meters shall not exceed:—

Rupee One per month for a single phase A. C. Meter.

Rupee One and annas eight per month for a polyphase A. C. Meter.

(B) Where energy is not supplied by meter, a fixed rate of Rupees Two per mensem shall be charged for a twenty watt light and Rupee one and annas eight for every additional twenty watts or part thereof burning for not more than six hours per night. Fixed rate lights shall be given to shops only along the roads (i) Marikatta Road and (2) Mohamadalli Road and half of the Nehru Road.

(C) In the case of large consumers, contracts may be made for fixed periods at such rates not exceeding the rates specified in sub-clause (A) of this clause as may be agreed upon.

(D) Without prejudice to anything contained in the above sub-clauses, the licensee may at any time enter into a special contract with the Municipality of Bhatkal and District Local Board for the supply of energy to the said Municipality and the District Local Board for the respective areas for public lighting upon such terms and conditions and at such rates not exceeding the maxima charges specified above, as may for the time being be mutually agreed upon.

12. *Unpaid Apprentices.*—The licensee shall, whenever so required by Government, employ as unpaid apprentices passed candidates from the Mechanical and Electrical Engineering Institutes in the Province of Bombay for a period of one year's training in connection with the power station and distribution system:

Provided that the number of such candidates to be so employed at any one time shall be limited to two.

13. *Nomination of a Director by Government.*—If the license is hereafter assigned to any limited company, Government shall have the right to nominate one Director on the Board of Directors of such company, and the Director so nominated shall be entitled to such remuneration payable by the said company as fixed in the Memorandum and Articles of Association of such company in respect of other Directors. The Director so nominated by Government shall not be required to hold any qualification shares nor shall he be liable to removal or retirement. The Government shall, however, have a right to remove the person so nominated and appoint another in this place. The Articles of Association of the company shall make provisions on the lines of this clause.

14. *Agreement between the Licensee and the Managing Agents.*—The licensee shall not enter into an agreement with Managing Agents, if any, or make any modifications to such agreement already entered into, unless with the previous consent in writing of the Government. The Government shall also have the right to examine any agreement between the licensee and the Managing Agents, if any, and to require suitable modification therein as a condition precedent to Government granting any consent as required by section 9 (2) of the Act.

15. *Breaking up of streets.*—The length of trenches to be opened on any street at any one time, and the period for which they may remain open, shall be determined from time to time by Government or local authority by which such streets are repairable.

16. *Breaking up of Railways.*—In pursuance of the provisions of sub-section (5) of section 12 of the Act, the licensee is hereby specially authorised within the

area of supply to break up the soil and payment of the portions of the so far only as concerns, level-crossings and the portions of the said railway running along the highway. Any difference or dispute arising between the licensee and the said railway by reason of the exercise by the licensee of the powers conferred on him by this clause shall, subject to the provisions of sections 13 and 16, be determined by Government whose decision shall be final.

17. *Purchase of the Undertaking.*—(1) The option of purchase given by sub-section (*1*) of section 7 of the Act shall be exercisable first on the expiration of twenty-five years from the commencement of this license and thereafter on the expiration of every subsequent period of seven years therefrom. The percentage of the value of the lands, buildings, works, materials and plant of the licensee referred to in sub-section (*1*) of section 7 of the Act which shall be added to such value under the second proviso to that sub-section on account of compulsory purchase shall be ten per centum.

(2) In accordance with clause (*d*) (ii) of sub-section (*2*) of section 3 of the Act it is hereby declared that the generating station belonging to the licensee and used in connection with the undertaking or where energy is purchased from any other person or company, the receiving and distributing sub-stations used in connection with the undertaking, shall form part of the undertaking for the purpose of purchase under section 5 or section 7 of the Act.

18. *Assignment of the Licence.*—At any time after the commencement of this licence the licensee may, with the previous consent in writing of Government, and subject to compliance with such conditions upon which such consent may be given, assign this licence and transfer the whole of the undertaking in respect of which this licence is granted (including all lands, buildings, works, materials and plant of the licensee) to any individual or company formed or to be formed and registered in the Province of Bombay in accordance with the law for the time being in force in the Dominion of India under any enactment relating to companies for the time being in force there and having authority to take over the licence and the said undertaking as the case may be and to exercise the powers and perform the obligations given to or imposed upon the licensee under this licence, the Act and the rules, and on such assignment and transfer the rights, powers, authorities, obligations and liabilities of the licensee shall be exercisable by and shall attach to such individual or company formed or to be formed as aforesaid.

19. *Submission of Annual Accounts.*—The licensee shall submit to Government annually before the 1st October, the accounts of the undertaking made up to the 31st March of the same year in the forms set forth in Annexure V to the Indian Electricity Rules, 1937, together with statement showing the technical and financial data in the form prescribed by Government.

20. This licence shall be subject to the provisions of any Act of the Central or Provincial Government that may be passed hereafter affecting the public electric supply undertakings.

Dated this day of one thousand nine hundred and forty-nine.

J. H. SHAMSUDDIN, B.A., LL.B., M.L.A.,
Chairman,
Board of Director,
Bhatkal Electric Supply & Industries Ltd., Bhatkal.

Bhatkal, dated 19th August 1949.

By order of the Governor of Bombay,
G. V. BEDEKAR,
Secretary to Government.

1006/48

(Below copy of G.N.P.W.D. No. 1006/48, dt. the 3-11-49, reg. an application from M/s. The Bhatkal El. Supply & Industries Ltd. for the grant of an electric license for Bhatkal.)

No. 1006/48-El.(I). P.W.D.
B.C. (Bbay. No. 1)
20th Jan. 1950.

Forwarded to the Comnr. S.D. for favour of remarks in the matter, after consulting the local authorities concerned.

2. In this connection the attention of the Comnr. is invited to G.O. No. C.W. 6923, dt. the 4-7-1916 and it is requested that the suggestions made by the G. of I in para 3 of their letter No. 425-Elec, dt. the 17-5-1916, may be borne in mind, when scrutinizing the draft license.

I presume This is on usual lines? Yes, sir. 20/1/50

3. The question of laying underground mains or putting up aerial transmission lines at a sufficient height across the streets through which taboots or similar processions are likely to pass during Moharam etc. should also be taken into consideration.

With apptt. 28/1/50

By Order of the G. of B

19/1/50

KJ 9/1/50

Copy of letter No. 0/5019 dated 31-3-50 from the Collector of Karwar.

Subject :- Electric Licence.
Grant of - in favour of the Bhatkal Electric supply and Industries.

Ref :- Your No. M.S.C. dated 3-2-1950.

" On enquiry, it is learnt that the local authorities have no objection to the grant of a necessary licence to Bhatkal Electric Supply and Industries, Ltd.,.Bhatkal throughout the Bhatkal Municipal limits. There is one Car Festival being held annually in the area and as such one of the conditions in the licence should be that the aerial transmission lines should be put up at a sufficient height so that there may be no obstruction to the Car on account of the electrical lines over the roads. A copy of the report from the President of the Bhatkal Municipality is enclosed for favour of perusal."

Copy of letter No.385 of 1949650 of 21-3-50 from the President, Bhatkal Municipality.

....

" With reference to your reference on the subject noted above I have the honour to state that there is no objection of this Municipality in granting Electirc Licence to the Bhatkal Electric Supply and Industries provided that there should be no objection for the Car Festival here on account of the electric lines over the roads through which the festival car is being carried during car festival."

Chief Officer,
D. C. B. Kanara

Copy of letter No.O/5019 dated 6-7-1950 from the Addl. Dist. Magistrate, Kanara to the Commissioner.S.D.

Subject :- Electric licence:
Grant of -- to the Bhatkal Electric Supply and Industries Ltd.Bhatkal.

Reference :- Your No.M.S.C. dated 10-4-1950.

" The President, Dist.Local Board, Kanara, intimates that there is no objection to grant necessary licence to the Company as the Board has given its consent with, however, no liability of any kind to the Board on this account. A copy of the President's letter together with a copy of the Board's resolution is enclosed for perusal.

There is one Car Festival being held annually in the area marked P.O.F.G.X as shown in the deposited map (the letter X is newly assigned at the point where Marikatta Street ends). The height of "Rath" drawn in this area is 43 feet and the temple authorities have no objection if the overhead mains are put up above 43 feet within the area in which the Rath is drawn. The Chairman of the Electric Company has no objection to this, I, therefore, propose that necessary alterations may kindly be made in clause 8(2)(b) of the draft licence."

No.M.S.C.
Belgaum, 13-7-1950.

Copy submitted to Government in thePublic Works Dept. in continuation of this office No.M.S.C. dated the 14th June 1950.

X P.53 Amb

2. As the height of the "Rath" drawn is reported to be 43 feet, the undersigned considers that the overhead mains should be put up at a height of at least 53 feet if and where they have to be taken across the road in which the "Rath" is drawn, in order to provide a safe margin against the possible sagging of wires, or contact with any projecting part of the Rath.

Subject:- Application for an Electric License for Bhatkal (North Kanara).

Reference:- Government letter No.10064/48-El(I) dated 29th May, 1950.

In general, the financial and technical data furnished by the applicant appear to be in order, although the capital costs shown by him are on the low side. The applicant does not, however, seem to have carefully checked the various figures. For instance, the revenue from industrial consumers at the rate proposed by him would amount to about Rs. 9600 as against Rs.6843 shown by him while the revenue from Street Lighting Service amounts to about Rs. 3300 as against Rs. 3600 shown by him.

Copy of the financial and technical data and the Map showing the area of Supply are returned herewith.

It is requested that a copy of the financial and technical data furnished by the applicant may kindly be sent to me for my records.

Letter.

To,

The Commissioner.S.D.
Belgaum.

No. O/5019 Karwar.6-7-1950.

Subject :- Electric Licence.
Grant of -- to the Bhatkal Electric Supply and Industries,Ltd, Bhatkal.

Reference your No. M.S.C. dated 10-4-1950.

The President,District Local Board,Kanara,intimates that there is no objection to grant necessary licence to the Company as the Board has given its consent with, however no liability of any kind to the Board on this account.A copy of the President's letter together with a copy of the Board's resolution is enclosed for perusal.

There is one car Festival being held annually in the area marked P.O.F.G.X. as shown in the deposited map (the letter X is newly assigned at the point where - Marikatta street ends.). The height of 'Rath' drawn in the this area is 43 feet and the temple authorities have no objection if the overhead mains are put up above 43 feet within the area in which the Rath is drawn.The Chairman of the electric Company has no objection to this.I - therefore, propose that necessary alterations may kindly be made in clause 8(2)(b) of the draft licence.

Sd/-

Addl.District Majistrate,Kanara

No. M.S.C./-
Belgaum.13th July 1950

Copy submitted to Government in the Public Works - Department, in continuation of this office No.M.S.C. dated the 14th June 1950.

As the height of the 'Rath' drawn is reported to be 43 feet the undersigned considers that the overhead - mains should be put up at a height of atleast 53 feet if and where they may have to be taken across the road in which the 'Rath' is drawn, in order to provide a safe margin against the possible sagging of wires of contact with any projacting part of the road.

Sd/- V.N. Sardesai.

Commissioner.S.D.

Copy of letter No.L.F.629 of 1950-51 dated 5/8/ May 1950 from the President,District Local Board,Kanara to the D.M. and Collector,Kanara.

Subject: Grant of Licence for electrification of Bhatkal Town - application - Provisional Permission.

Dear Sir,

I had applied on behalf of the company for a licence to electrify Bhatkal town in the prescribed form. I think that it is being inquired into and will take some time. Meanwhile the Directors feel that the preliminary steps should be taken towards the implementation of the scheme.

I, therefore, request you to inform me in writing whether the company can proceed with the preliminary steps as such as purchase of machinery, construction of buildings in anticipation of Government saction for a licence.

Continued---

for a licence.

I may bring to your notice that such a provisional permission was given to the company at Sirsi in this District and that 8-9 months passed since we applied for licence. Hence this request for a provisional permission and early reply is awaitted.

Yours faithfully,

J. H. Shamsuddin

EXPRESS LETTER 85

To

The Chairman of Board of Directors of Bhatkal Electric Supply and Industries Ltd. Bhatkal.

No. 0/5019 Via Karwar 27-12-1950

Subject: Electric Licence
Grant of ----

P-79

Reference: Government P.W.D. Letter No 1006/48-EI (I) dated 22-9-1950.

It has been reported that the height of the/ Rath of Shri Hanuman Temple , Bhatkal being about 43 feet , the overhead aerial lines will have to be above that height, in the area marked " P.O.F.G.X. " of the accompanying deposited map through which the Rath is to pass. As the usual height of ~~of~~ overhead ~~mai~~ aerial lines that can be allowed is not more than 30 feet, Government desired to know whether the trustees of Shri Hanuman Temple were prepared to reduce the height of Rath of to change the route of the Rath; but it is reported that the trustees are not agreeable to do so. Now the only alternative that remains is to use underground Mains. Your attention is invited to your letter addressed to this office dated 6-6-1950 wherein you have expressed that in case it is found impossible to put up overhead mains , underground mains will be used . This will,no doubt cost the Company some extra expenditure , but in the circumstances stated above , it would be desirable to use the under ground mains . Please , therefore , intimate ~~urgently~~, the decision of the Company in this matter , at a very early date , to enable this office to submit amended proposals to Government.

B O M B A Y.

Sir,

Subject:- Electric Licence for Bhatkal.

With reference to your letter No. 1006/48-K dated the 25th of April, 1951 and the reminder regarding the Draft Licence for the said Company I have the honour to state as under:-

The said Draft Licence was considered by the Board of Directors in their meeting held on 9-10-1951 and I was asked to make the following representation to you with a request to make the modifications suggested below:-

The Directors feel that the maximum rate of 8 annas is too low and may be increased to 12 annas for the following reasons:-

(1) Government is fully aware that the prices of machinery and other electrical goods have risen to 3 to 4 times of the pre-war level. It is still rising and has reached an upward level to the extent of more than 25% of what was the selling price last year. There are indications to show that the prices will go up till the purchasesby the Comp. are completed.

Cont.---

(2) The prices of fuel and the lubficating oil have also gone up and there are no indications of or an exception of the decrease in prices in the near future. This will considerably add to the running expenses of the scheme.

(3) Wages of labourers and salaries of staff will add to the high cost of the scheme.

(4) Bhatkal is a small town with no proper means of communication and transport. The cost of transporting the machinery and other articles will be abnormally high, especially during the monsoon when sea route becomes in-oper--ative and transport becomes costly and difficult.

(5) Old Companies having a standing of 20 years and put up during the slumb period when the prices were abnormally low actually charging the maximum rate of 8 annas are claimering for an increase which it is reported have been granted. It is reported that some Electric Companies, namely, Choppada and Sinnar have been allowed to increase the rates by the Rating Committee even though they were started a future back under normal circumstances.

(6) Bhatkal is a small town with a popul--ation of 12 to 13 thousand being of the same size of Choppada and Sinnar. There is no industry of any kind and the Power house has to depend upon lighting mainly. In view of all these circumstances it is prayed that the maximum rate be increased from 8 annas to 12 annas in the Draft Licence itself.

Cont.----

This will obvaite the necessity of approaching the Govt. for an increase in the rate at a later date. When this is made sometime the consumers raise unreasonable objections and severe complication crop up.

(7) Bhatkal is an isolated town cut off from the rest parts of the State. There is a heavy rainfall here. The average being 175" during the monsoon and the work shall have to be at a standstill. Means of communication and transport are very bad and necessary material cannot be brought here. The time proposed for commencement and completion will put a severe strain on the Company due to circumstances beylond their control and hence it is prayed that the time proposed by the company may be substituted in the Draft Licence.

I, therefore, request you to accept these suggestions and incoporate them in the Draft Licence.

Hoping for an early reply,

Yours faithfully,

J.H. Shamsuddin)
Chairman,
Board of Directors.

The Bhatkal Electric License 1951.

LICENCE GRANTED BY THE GOVERNMENT OF BOMBAY FOR THE SUPPLY OF ENERGY UNDER THE INDIAN ELECTRICITY ACT, 1910.

License.- License is hereby granted to The Bhatkal Electric Supply and Industries Limited a company registered under the Indian Companies' Act, 1913 having its registered office at Bhatkal to supply energy in the area with the powers and upon the terms and conditions specified below :-

1. Short Title.- This license may be cited as "The Bhatkal Electric License, 1951.

2. Interpretation.- In this license-

(1) "Act" shall mean the Indian Electricity Act, 1910

(2) "rules" shall mean the rules made under the Act

(3) "licensee" shall mean and include the said Bhatkal Electric Supply and Industries Limited and its permitted assigns;

(4) "deposited map" shall mean the plan of the area of supply as hereinafter specified, which has been deposited with Government in pursuance of the rules, which plan is signed, for the purpose of identification by the Secretary to the Government of Bombay in the Public Works Department and by the licensee;

(5) "the commencement of this license" shall mean the date of the notification by the Government of Bombay in the Bombay Government Gazette by which this license is granted;

(6) "Government" shall mean the ~~Provincial~~ State Government of Bombay;

(7) words and expressions not defined in this license but defined in the Act or the rules shall have the meaning assigned to them in the Act or the rules as the case may be.

3. Security.-(1) The period within which the licensee shall show under sub-clause (a) of clause I of the Schedule to the Act that he is in a position fully and efficiently to discharge the duties and obligations imposed upon him by the license throughout the area of supply shall, unless otherwise ordered by Government under clause (b) of sub-section (3) of section 4 of the Act, be six months from the commencement of this license.

(2) Unless otherwise ordered by Government under clause (b) of sub-section (3) of section 4 of the Act, the sum which the licensee shall deposit or secure to the satisfaction of Government under sub-clause (b) of clause I of the Schedule to the Act, shall be rupees two thousand and the period within which such sum shall be so deposited or secured shall be thirty days from the commencement of this license.

4. Area of Supply.- The area within which the supply of energy is authorised by this license, hereinbefore and hereinafter referred to as "the area of supply" shall be .....

be whole of the area comprised within the Municipal limits of Bhatkal Town and a portion of the area of the District Local Board marked as RSPT and comprising a part of the village of Purwarga including the Public Works Department road along its side which are shown by yellow and red coloured lines respectively on the deposited map and are bounded as follows :-

(1) MUNICIPAL AREA -

North - by boundaries of Jali and Bilalkhand villages of Bhatkal Petha.

East - by nala known as Kattadhole and Mudbhatkal Hole.

West - by boundaries of Jali village.

South - by Sankad Hole and Sarabi Hole; Mudalli and Belni villages and Purwarga and Chowthani villages.

(2) DISTRICT LOCAL BOARD AREA - Comprising a part of the village Purwarga bounded as follows :-

North - by Sankad Hole.
East - by part of Mudbhatkal Hole.
West - by Public Works Department Road from Bhatkal Town to Byndoor (included).
South - by line marked 'TP'.

two ~~eighteen months~~ x (2) years

5. Area of Compulsory Supply.-(1) The licensee shall, within a period of ~~eighteen months~~ two years from the commencement of this license, execute works to the satisfaction of Government for the purpose of a full and continuous supply of energy throughout the streets or parts of streets as are mentioned below and shown in red colour on the deposited map -

(1) Public Works Department Road (provincial) marked as ABOFC.
(2) Sultan and Alwa Streets marked as BNDE.
(3) Mahamadali Road and Nehru Road marked as DFG.
(4) Jamiamohall and Khalipha Streets marked as DHJ.
(5) Kaji Street marked as KLM.
(6) Marikatta Road marked as NOP.
(7) Mankuli Street marked as PQ.

vide G.L.No LAH-105, K, dt the 17-1-52.

(2) In the case of any difference between the description of the streets mentioned in sub-clause (1) of this clause and that indicated on the deposited map, the latter shall prevail.

(3) The licensee shall commence to execute the works aforesaid within ⟨nine months from the commencement of this license and shall complete the execution of the works aforesaid and shall commence the supply of energy within ⟨two years therefrom.

(4) The licensee shall every three months submit reports to Government and also to the Electrical Engineer to Government specifying the progress made up to date from the commencement of the license in the execution of the works in the compulsory area.

6. Revocation of License.- If the licensee fails to comply with the provisions of sub-clause (1), (3) or (4) of clause 5, or, if in the opinion of Government, the progress made during any portion of the said period of eighteen months is unsatisfactory, the license shall be liable to be revoked, and the security furnished as per sub-clause (2) of clause 3 shall be forfeited.

7. Purposes and Limitation of Supply.-(1) Subject to the provisions of this license and the Act and the rules, the licensee shall be entitled during the continuance of this license to supply energy within the area of supply for all purposes:

First and Second provisos to clause (7).-

⟨Provided firstly, that nothing in this license shall be construed to prevent any railway or Government Authority from purchasing their power requirements from any other railway or Government Department for their own industrial, domestic or other uses.

Provided secondly, that nothing in this license shall be construed to prevent any person requiring 50 kW. or more of electric power from purchasing his power requirements from any Government Department for his own industrial, domestic or other uses.

Provided thirdly, that no supply of energy shall be commenced to be given by the licensee to any owner or occupier of private premises unless and until the licensee has completed all the works relating to the

license .....

/State of

license and such works have been inspected by the Electric Inspector/ Bombay, ~~Province~~, and passed by him in writing, and until Government have approved-

(a) the form of requisition to be made by such owner or occupier for such supply of energy;

(b) the form of written contract or agreement with the licensee to take a supply of energy to be executed or entered into by such owner or occupier;

(c) the amounts of all miscellaneous charges which the licensee proposes to make against such owner or occupier as incidental to or in connection with such supply; and

(d) the conditions which the licensee proposes to make to regulate his relations with his consumers.

Provided fourthly, that where all the works have not been completed by the licensee, and the licensee nevertheless desires to commence to give supply of energy in a portion or portions of the area of supply, the licensee shall do so only with the express permission of the Electrical Engineer to Government whose decision in the matter shall be final.

(2) Clauses V, VI, VII, IX, X and XI of the Schedule to the act shall, wherever necessary, be read as expressly added to or varied to the extent set out in the proviso to sub-clause (1) of this clause.

(3) The licensee shall not supply energy to any premises unless the owner or occupier of such premises has satisfied the licensee that all work including repairs relating to electric wires, fittings and apparatus, on such premises, has been carried out by a licensed electrical contractor and under the supervision of a Competency Certificate holder under the rules or orders issued by Government in this behalf, or by such other person as may be authorised to carry out such works under rule 48 of the rules and clause VI of the Schedule to the Act shall be deemed to be modified accordingly.

8. System of Supply.- (1) The system of supply of energy which may be adopted for the purpose of this license shall be the Alternating Current, single or three phase, three or four wire, periodicity fifty cycles per second. The pressure of supply at the consumer's terminals shall be as under :-

(a) 230 volts between each phase and neutral for general purposes, viz. lights, fans, heaters, refrigerators, etc.;

(b) 400 volts between phases for motive power purposes and purposes other than those specified in (a) above; and

(c) Any pressure upto 11,000 volts for feeders and for supply to any large consumers for power purposes:

Provided always that no high tension mains shall be brought within or near the populated areas without the specific sanction of Government in each case.

(2) The feeders, distributing mains and service lines may be laid overhead or underground but wherever and whenever ~~xxxx~~ specifically required to do so in writing by Government, such feeders, distributing mains or service lines shall be laid underground:

Provided.....

Provided that -

(a) no work or works shall be commenced by the licensee unless and until the method of construction has been previously approved in writing by the Electrical Engineer to Government;

(b) where overhead mains are used, they shall nowhere be at a height of less than thirty feet from the ground level of the streets at all crossings in all the routes where "raths" or "taboots" or other similar religious processions are likely to pass. In cases of dispute such routes and heights shall be determined by the District Magistrate;

(c) in narrow lanes or streets the poles for overhead mains shall be placed on the extreme edge of the lane or street and a special construction to be approved by the Electrical Engineer to Government shall be adopted to keep the wires clear of every building;

(d) no poles for overhead lines shall be erected in streets or thoroughfares which are less than ten feet in width for vehicular traffic; and

(e) nothing in this license shall authorise the licensee to use overhead mains at a pressure higher than the medium pressure without the written sanction of Government in each case and subject to any conditions or limitations which Government may prescribe in that behalf.

(3) Due precautions shall be taken to avoid any possible interference with the adjacent telephone or telegraph circuits due to inductive effects. The electric wires shall be suitably transposed where necessary.

(4) For the purpose of rule 68(2) of the rules, the maximum wind pressure shall be taken as 15 pounds per square foot.

9. Generating, Receiving, Transforming and Distributing stations.- (1) The Generating, Receiving, Transforming and Distributing Stations shall be within the area of supply.

(2) The licensee shall employ a resident Electrical Engineer in technical charge of the undertaking and the appointment of such an Engineer shall have the previous approval of the Electrical Engineer to Government, P.W.D. Bombay.

(3) The licensee shall maintain at all times a standby plant as well as spare parts for the machinery installed which, in the opinion of the Electrical Engineer to Government, may be considered necessary to ensure a regular, constant and sufficient supply of energy to consumers.

(4) The licensee shall keep and maintain at his generating station and/or sub-stations, if so desired by the ~~Provincial~~ State Government, a log book made up of daily log sheets in the form approved by the Electrical Engineer to Government. Such log book shall contain a correct record of all the interruptions in supply due to stoppage of generating set or sets and tripping out of feeders due to overload, short-circuits, etc. and the log book shall be produced at any time on request to the Electrical Inspector or an officer appointed to assist the Electric Inspector under sub-rule (1) of rule 5 of the Indian Electricity Rules, 1937.

10. .....

10. Purchase of Energy in Bulk - The licensee shall take from any ~~Provincial~~ State Government generating station such power as he requires for distribution at any time after the Government is in a position to supply at a rate which, in the opinion of the Government, is not higher than the then prevailing cost to the licensee for generating his own electrical energy at the time of the offer.

(2) If power is taken under sub-clause (1) above, the licensee shall, if so required, sell to Government his station at its depreciated book value. If, however, Government does not wish to purchase the station, the licensee shall have full powers to dispose of it.

11. Rates-Limits of Prices to be charged.- The rates to be charged by the licensee for energy supplied by him shall not exceed the maxima set out below, or in the case of a method of charge approved by Government under ~~xx~~ clause (c) of sub-section (3) of section 23 of the Act such maxima as Government may fix on approving the method, namely :-

(A) Where energy is supplied by meter.

(1) For general supply purposes viz. :-

(a) for lights and fans - A rate of annas ~~eight~~ twelve per unit;

(b) for heating, refrigerating and other domestic and general purposes - A rate of annas three per unit.

Minimum charge.- A minimum charge of Rs.3/- per month may be made in addition to meter hire whether energy to that extent has been consumed or not.

(2) For motive power purposes and purposes other than those mentioned in items 1(a) and (b) above :-

A standing charge per month for service at the rate of Rs.3/- per B.H.P. of connected load for the supply of which licensee is required to make provision and in addition a charge for current determined by meter as follows:-

(i) for the first 25 units consumed per H.P. per month- A rate of annas three per unit;

(ii) for all excess units over 25 consumed during the month A rate of annas two per unit.

Note.-(a) The term "Unit" occurring in this sub-clause, shall mean the energy contained in a current of 1,000 amperes flowing under an electromotive force of one volt during one hour.

(b) The term "connected load" occurring in this sub-clause shall mean the total rated capacity of the motor or motors in B.H.P. connected to the installations.

(3) .....

127

(3) Meter Rent.- The rent to be charged for meters shall not exceed -

Annas twelve per month for a single phase A.C.Meter.
Rupees 1/8 per month for a poly phase A.C.Meter.

(B) Where energy is not supplied by meter, a fixed rate of Rs. 2/- per mensem shall be charged for a twenty watt light and Rs.1/8 for every additional twenty watts or part thereof burning for not more than six hours per night.

(C) In the case of large consumers, contracts may be made for fixed periods at such rates not exceeding the rates specified in sub-clause (A) of this clause as may be agreed upon.

(D) Without prejudice to anything contained in the above sub-clauses, the licensee may at any time enter into a special contract with the Municipality of Bhatkal and District Local Board, Kanara, for public lighting upon such terms and conditions and at such rates not exceeding the maxima charges specified above, as may for the time being be mutually agreed upon.

12. Unpaid Apprentices.- The licensee shall, whenever so required by Government, employ as unpaid apprentices passed candidates from the Mechanical and Electrical Engineering Institutes in the State of Bombay for a period of one year's training in connection with the power station and distribution system:

Provided that the number of such candidates tobe so employed at one time shall be limited to two.

13. Nomination of a Director by Government.- If the licensee is hereafter assigned to any limited company, Government shall have the right to nominate one Director on the Board of Directors of such Company, and the Director so nominated shall be entitled to such remuneration payable by the said Company as fixed in the Memorandum and Articles of Association of such Company in respect of other Directors. The Director so nominated by the Government shall not be required to hold any qualification shares nor shall he be liable to removal or retirement. The Government shall however have a right to remove the person so nominated and appoint another in his place. The Articles of Association of the Company shall make provisions on the lines of this clause.

14. Agreement between the Licensee and the Managing Agents.- The licensee shall not enter into an agreement with Managing Agents, if any, or make any modifications to such agreement already entered into, unless with the previous consent in writing of the Government. The Government shall also have the right to examine any agreement between the licensee and the Managing Agents, if any, and to require suitable modification therein as a condition precedent to Government granting any consent as required by section 9(2) of the Act.

15. Breaking up of Streets.- The length of trenches to be opened on any street at any one time, and the period for which they may remain open, shall be determined from time to time by Government or the local authority by which such streets are repairable.

16.....

16. Purchase of the Undertaking.- (1) The option of purchase given by sub-section (1) of section 7 of the Act shall be exercisable first on the expiration of twenty-five years from the commencement of this license and thereafter on the expiration of every subsequent period of seven years therefrom. The percentage of the value of the lands, buildings, works, materials and plant of the licensee referred to in sub-section (1) of section 7 of the Act which shall be added to such value under the second proviso to that sub-section on account of compulsory purchase shall be ten per centum.

(2) In accordance with clause (d) (ii) of sub-section (2) of section 3 of the Act it is hereby declared that the generating station belonging to the licensee and used in connection with the undertaking or where energy is purchased from any other person or company, the receiving and distributing sub-stations used in connection with the undertaking, shall form part of the undertaking for the purpose of purchase under section 5 or section 7 of the Act.

17. Assignment of the License.- At anytime after the commencement of this license the licensee may, with the previous consent in writing of Government, and subject to compliance with such conditions upon which such consent may be given, assign this license and transfer the whole of the undertaking in respect of which this license is granted (including all lands, buildings, works, materials and plant of the licensee) to any individual or company formed or to be formed and registered in the State ~~Province~~ of Bombay in accordance with the law for the time being in force in ~~British~~ India, ~~or in Great Britain under any enactment relating to companies for the time being in force there~~ and having authority to take over the license and the said undertaking as the case may be and to exercise the powers and perform the obligations given to or imposed upon the licensee under this license, the Act and the rules, and on such assignment and transfer the rights, powers, authorities, obligations and liabilities of the licensee shall be exercisable by and shall attach to such individual or company formed or to be formed as aforesaid.

18. Submission of Annual Accounts.- The licensee shall submit to Government annually before the 1st October, the accounts of the undertaking made up to the 31st March of the same year in the forms set forth in Annexure V to the Indian Electricity Rules, 1937, together with a statement showing the technical and financial data in the form prescribed by Government.

19. The license shall be subject to the provisions of the Electricity (Supply) Act, 1948, and any other Act of the /~~Central~~ or ~~State~~ Government that may be passed hereafter affecting the public electric supply undertakings.

Sub:- Electric Licence for Bhatkal.

Dear Sir,

With reference to your No. LBH 1051 K, dated 9-10-1952 asking the Company to deposit the amount Rs. 41,000/- (Fortyone thousand only) for obtaining the licence, I beg to request you to extend the time by 2 months more and to -- request the Electrical Engineer to Government to allow any representative of the Company to interview in connection with the reduction of the amount of deposit. The representative of the Company could not see him earlier as the Consulting Engineer, Mr. L. G. Patharkar could not come to Bombay or this side as he is engaged in some Electrification scheme at -- Mahuva in Saurashtra District. Besides, the Chairman of the Company could not go to Bombay due to the rainy seasons --

P.T.O.

when it is diffcult to cross several rivers. Besides, capita[illegible] collection work was slack during the monsoon, when business was slack. Besides, he is a practising pleader and could ~~not~~ go out in December or thereabout. Hence the matter may finally be settled in January, 1953 at the latest.

I request you to communicate to me a reply at your earliest convenience.

Thanking you,

Yours faithfully,

.....

Sir,

With reference to the correspondence ending with your letter No.200/52, dated the 17th October 1952, on the subject mentioned above, I am directed to inform you that the period for the payment of the deposit is hereby extended till the 15th January 1953. I am further to inform you, that, if you desire to have the amount of the deposit reduced, you should arrange to depute your representative to the office of the Electrical Engineer to Government, Public Works Department offices, Churchagate Street, Fort, Bombay(1), to discuss the matter, sufficiently in advance, so as to enable you to

pay .....

pay the deposit before the expiry of the extended period.

Yours faithfully,

Assistant Secretary to the Government
of Bombay, Public Works Department.

D.A.-Nil.

Copy forwarded to the Electrical Engineer to Government with reference to the correspondence ending with his letter No. LRM.31/11505, dated the 11th November 1952.

Ref

Date 31st. Dec. 1952.

To,
The Assistant Secretary,
Government of Bombay,
Public Works Department,
Bombay Castle, BOMBAY.

Dear Sir,

P157

With reference to your letter No. LBH 1052K., dated 17-11-1952, I beg to state as under:-

The time granted for paying the deposit and --- obtaining the licence or reducing the deposit after an interview with the Electrical Engineer with the Government of Bombay will expire on 15-1-1953. The undersigned cannot go to Bombay by about that date as he has to accompany with the consulting engineer of the company Mr. L. G. Patharkar.

Contd.--2.

It is learnt that the said engineer has undertaken some work at Mahuva in Saurashtra District and he will not be able to come here or to Bombay till the end of February1953, The --- undersigned and others connected cannot take any further steps without further consultation and advise of the said engineer in the matter.

It is therefore, prayed that the time granted for payment of the deposit and a discussion with the Electrical Engineer be extended upto 15-3-1953 due to circumstances beyond the control of the Directors who are very anxious to push the scheme through.

Thanking you,

Yours faithfully,

- (J.H. Shamsuddin)
Chairman,
Board of Directors.
